Jon Sprunger

CLOSING

2025 Coaches

Jon Sprunger, Varsity Head Coach

Coach Sprunger is in his 23rd year as Head Coach and his 35th season coaching. He has been an integral part of this program since its inception in the fall of 1991. He is a graduate of Worthington High School where he played soccer. He obtained a B.A. degree from Taylor University and his Master's from Ohio State University. Coach Sprunger played soccer while attending Taylor University, was a 4 year starter, and was captain his Junior and Senior years. He has extensive experience coaching youth soccer, including seasons with Crew Juniors, Classics Eagles, and Worthington United 94. He is in his 35th year as a teacher, and currently teaches American History, Behavioral Sciences, and teaches two International Baccalaureate courses: IB Psychology and IB Theory of Knowledge. He was named OCC Coach of the Year in 2003, 2004, 2007, 2008, and 2014; OCC Co-Coach of the Year in 2011, 2015, and 2018. He was recognized as Central District Coach of the Year in 2008. When Coach Sprunger is not involved with teaching or the soccer team, he spends time with his family. He and his wife Jacki have been married for 30 years and are the proud parents of Joseph, Jakob and daughter-in-law Alli.

Patrick Fagan, JVA Head Coach

Coach Patrick Fagan is a teacher who joined the WKHS program in 2016. This was his 10th season at Kilbourne and his 15th year of coaching. He had previously coached at Upper Arlington High School and Dublin Coffman High School. Coach Fagan has a special place in his heart for Kilbourne. He completed his student teaching at the school and has returned several times as a substitute, including two long-term assignments. Coach Fagan, his wife Beth, and their two children Jordan, 13, and Conal, 11, appreciate being allowed to be part of the Kilbourne soccer community. Coach Fagan was the 2023 Central District and state Assistant Coach of the Year

Brandon Nye, Assistant Coach

Coach Nye grew up playing youth soccer on one of the top teams in Ohio South. He was lucky enough to play 4 sports at WKHS during his first two years, but decided to stop playing basketball after the Sophomore season to spend more time on baseball. He was a 4 year (1991-1994) starter on Varsity soccer, earning 2nd team OCC in 1992. He also earned two Varsity Letters in football and baseball. He graduated from Franklin University with a degree in Business. Along with WKHS, he coaches his daughter, Kasey, in club soccer and his son, Jake, in travel baseball. He has also coached with Express FC and Worthington United 94. Coach Nye enjoys spending time with his wife, Kristy, and children Jake, 19, Kasey, 16, and Dylan, 10, when not busy with soccer.

Eric Sunderhaus, JVB Head Coach

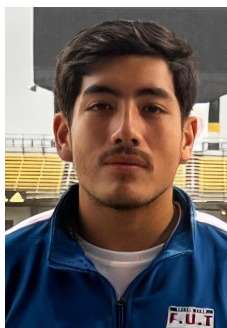

Eric attended Dublin Jerome High School, where he played soccer for both the school and for his local club. After graduating, he continued his education at The Ohio State University, majoring in Secondary Math Education. Additionally, he spent his college years leading Younglife at New Albany High School, where he also coached JV-B Soccer. Now, he is in the second year of teaching mathematics at Worthington Kilbourne High School while preparing to marry his best friend, Cassie, this summer.

Sean Harrison-Poehler, JVB Assistant

Sean is in his third year of coaching High School Soccer. He Graduated from Olentangy Berlin High School in 2020 and Immediately started coaching for his old team at Berlin in the fall of 2021. He has a love for the Worthington area, especially at Kilbourne. When he is not Coaching, he is a volunteer YoungLife leader hanging out and building relationships with Students!

Christian Hernandez, Goalkeeper Coach

Christian Hernandez joins the Worthington Kilbourne Coaching Staff for his first season as Assistant Coach and Goalkeeper Coach. A Kilbourne graduate, Christian was a goalkeeper for the Wolves before continuing his playing career at the semi-professional level in the UPSL. He is passionate about developing young goalkeepers and helping them prepare for success at the high school and club levels. Christian emphasizes technical fundamentals, decision making, and leadership while also mentoring student athletes to build confidence, discipline, and life skills that extend beyond the field.

Musab Erciyas, Assistant Coach

Musab Erciyas joins the Worthington Kilbourne Coaching Staff for his first season as an Assistant Coach. A Kilbourne graduate, Musab played as a midfielder for the wolves. Returning back to the Wolves community holds a special meaning, as it allows him to give back to the school and sport that shaped his own athletic journey. Understanding the program's values and traditions, Musab emphasizes technical fundamentals, leadership and work ethic. Musab is passionate about inspiring his players to reach their full potential, both as athletes and as young adults. His ultimate goal is to create an environment where every player is challenged, supported, and encouraged to become the best version of themselves.

2025 WORTHINGTON KILBOURNE WOLVES MEN'S VARSITY SOCCER TEAM

Varsity Season In Review – 2025

by Coach Sprunger

The 2025 Worthington Kilbourne Men's Soccer season kicked off the evening of August 1st with the 2 mile run. Ryan Foisset set a blistering time of 10:52, which is THE fastest time we have on record. The pre-season began with scrimmages against three top teams. The first was Hilliard Bradley, where Cam Farris opened up the 2025 scoring with the first goal of the season. The winning goal came from Bowen Rick, known for his strong leg, who blasted a shot 60 yards from the goal which proceeded to bounce right in front Bradley's goalkeeper and over his head and directly into the goal for the 4-3 win.

The regular season began with eventual District Champion, Whetstone. Kilbourne thumped Whetstone 5-0. Sophomore Erkan Erciyas had an amazing first game, scoring 4 of the 5 goals that day, chipping the goalkeeper twice. Whetstone will long remember the name Erkan! Kellen Louk opened his season play in the midfield in prime form by providing 3 assists in this game. Kaiden Maloney was an instrumental figure in the midfield showing off his skills as he sliced and diced the Whetstone players. Anchoring the defense and giving the Wolves the first clean sheet of the season, was senior defensive standout and captain, Paul Sterenberg. Goalkeepers Brayden Houk and Dominic Viggiano recorded the first shut out of the season.

The season's second game saw the Wolves battle to a 1-1 tie with Regional Champion Westerville Central. In action similar to the Bradley scrimmage, Cam Farris scored his first goal for the regular season assisted by Kellen Louk. Both players were off to a great start. Next on the schedule was Lakota West, yet another District Champion. Although the Wolves played a great game, the Wolves fell just short. Grant Darner used his size and strength to defend and attack the right side of the midfield. Tyler Houk and Colin Beckstedt saw their first minutes on the varsity turf. The final game prior to the start of the OCC season was a new opponent, Northland. Senior, Esad Alpay scored a brilliant goal as did Ray Disalvo. Ian Varga recorded an assist and added his name to the season stats list.

The Wolves opened OCC play with a 6-2 victory over the Westland Cougars. Erkan Erciyas scored a hat trick, followed by Ray Disalvo who scored twice. Marcos Vicente and Quinn McGlone tallied their first assists of the season. Ryan Goleb earned his first minutes on the varsity field on the left side of the midfield. Seven days later, the Wolves traveled to Dublin Scioto. This game has often decided the OCC championship and this year brought in two OCC undefeated teams at the time. After 80 minutes of back and forth, the game ended 0-0. The defense needs to be praised for the second shut-out of the season. Brayden Houk had one of his best games between the pipes, making save after save. The line of defenders keeping the Irish subdued consisted of Caleb Kinderknecht, Michael Dolciato, Paul Sterenberg, and Bowen Rick. In the 2024 season Kilbourne shocked central Ohio by beating Olentangy Liberty. The 2025 season saw the same result with a 4-2 victory over the Patriots on their home field. Isaiah Kim found himself moving into a starting position as the left outside back. He was asked to step in for an injured player and earned the starting position for the remainder of the year. His defensive growth over the course of the year marks him as the most improved player. Dominic Viggiano played an amazing game preventing the Patriots from ever getting in the game. Cam Toops was able to control the flow of the game with his ball control skills and play in the middle of the field. Nick Nsibula and Ryan Miller, as our main strikers, worked Liberty's defensive line and gave them all kinds of trouble.

Big Walnut was the next OCC challenger, and the Wolves were able prevent a loss. Even though Bowen Rick tallied his first goal of the year the game ended in a 3-3 tie. The Wolf Pack was still in the hunt for an OCC title. The middle half of the season proved to be a difficult two weeks for the Wolves as they played last year's Division 1 state finalist followed by 2025 regional finalist Dublin Jerome. But the soccer Wolves bounced back in a celebratory win verses Canal Winchester. Team and fan favorite, Fredy Camara scored his first varsity goal and the entire team and stadium erupted in cheers. Quinn McGlone also scored his first goal of the season coming up the field from the defensive mid position and hammering a great shot into the goal. The final OCC game took place during senior night in Ron Hopper Memorial Stadium. The Wildcats of Westerville South were the opponents. The seniors were determined to end their careers with a strong win. Ryan Miller and Esad Alpay both scored goals. Esad, ripping off his shirt, cost him a yellow card, and as a reporter asked him after the game why he tore his shirt off, he replied, "I wanted to make the game epic." Ian Varga connected with 2 assists in this game adding to his totals for the year. Samba Barrie, who came to the team later in the season after transferring back to Kilbourne from a season in England, started to show his comfort level with the team and the American style of play. Oliver Kim saw his first minutes as a varsity player and was able to play alongside his brother on the varsity field for the first time.

The Wolves were seeded 9th in the Division 2 District Tournament and received a bye for the opening round of the sectional. In the District Semi-final the Wolves traveled to Watkins Memorial. The Hawks were ranked higher than Kilbourne and had a record of 9-5-2. This did not phase the Wolves at all as the Kilbourne schedule demands the best and prepares them for these moments. Kilbourne went in with an attitude and Erkan Erciyas scored his 3rd hat trick of the season. The 2025 season came to a crushing end against longtime foe, Westerville North. The game was tied at 1-1 with a late goal coming off the combined effort of Ryan Miller and Samba Barrie. Entering the overtime period the Wolves appeared to have momentum, but a shanked cross by a Westerville North player found its way into the upper corner of the net.

The coaches would like to thank the graduating seniors and wish them the best of luck. You will always be welcomed back, and you will always be part of the pack. For the returning players, take some time off and we will begin our 2026 season in January.

2025 WORTHINGTON KILBOURNE WOLVES MEN'S JV-A SOCCER TEAM

5 August 2025 V Olentangy Berlin High School

Our season started with a scrimmage against Olentangy Berlin. Our first goal of the season was scored off a corner kick by Marcos Vicente, assisted by Kelvin Sam. The highlight of this game was the first action of our talented freshmen: Mason Lawrence, Leo Minadeo, Idir Ben Zaid, and Shane Louk. Collectively, these four gave us real hope for what the future has in store for WKHS Men's Soccer. Although we drew the game, we felt that good things were coming our way.

8 August 2025 at Hilliard Bradley

After the draw in our first game, after we had played well, we followed it up with a dud. In a 1-3 loss where our collective defense was poor, the only bright spot was a goal by Mahmoud Belgasam- a very slow rolling ball that managed to have enough momentum to get over the line. A goal is a goal and it was the lone bright spot in an otherwise poor performance.

13 August 2025 V Upper Arlington

Another loss, 0-3, showed that we had a lot of work to do, especially on defense.

19 August 2025 V Whetstone (0-0)

Oliver Kim opened the scoring, but the game was abandoned shortly after because of lightning.

21 August 2025 V Westerville Central (0-1)

Our unofficial opener to the season because of the abandoned game was against Westerville Central. For the most part, the boys played well. Two different defensive lapses allowed Westerville Central to score causing us to lose our first game of the season.

23 August 2025 V Lakota West (1-1)

Lakota is always a difficult game, but the boys were up for it. We opened the scoring when Marcos Vicente took a pass from Shane Louk and neatly netted our first. After our first goal, we lost the momentum and allowed Lakota to put two past us. Drew Stoops leveled the score, being assisted by Oliver Kim. With time running out, Ali Yildiz scored off a corner to win us the game.

26 August 2025 V Northland (2-1)

Northland was a game that was trickier than we had anticipated. They held us scoreless in the first half, but they could not keep Mason Lawrence off the scoreboard in the second. Mason scored the first of his brace off a corner kick taken by Colin Beckstedt. Mason's second goal was assisted by Drew Stoops. The clean sheet was kept by Brogan McGlone in the first half and Aiden Ziegenbusch in the second half.

28 August 2025 V Westland (3-1)

Not all wins are worthy of celebration. In this game- a game that we could have won by 7 or 8 goals- the team was offside 18 times. They were offside so often, I made sure that I taught them the offside law in the next practice. Our first goal was a set piece goal by Ali Yildiz, assisted by Ryan Goleb. The second goal was Mason Lawrence from Oliver Kim. The third was Oliver Kim's second of the season, assisted by Kelvin Sam.

4 September 2025 at Dublin Scioto (3-2)

Our Hard Road rivalry looked like it was going to go our way at halftime. Brogan McGlone had made some outstanding saves. Ali Yildiz scored another goal off a set piece- taken by Colin Beckstedt. We came off feeling that we were the better team and that we were unlucky not to have more goals. The second half, however, was a nightmare of mistakes. We lost the game 1-4. Some hard lessons were learned that day.

6 September 2025 V Hilliard Darby (3-3)

Back at home, we started the game on fire. We took an early lead when Mahmoud Belgasam scored an opening goal assisted by Drew Stoops. Things got better when Mason Lawrence doubled our lead. We then proceeded to give up three straight goals (one PK) to lose the game 2-3.

9 September 2025 at Delaware Hayes (4-3)

We got healthy real quick against Delaware Hayes. Drew Stoops opened the scoring off a wonderful cross from Tyler Houk. Tyler repeated the performance, and Oliver netted our next goal. Leo Minadeo and Steven Tekock both made their first appearances on the score sheet when Steven assisted Leo. Ryan Goleb hit a beautiful left-footed free kick to make the score 4-0. Delaware caught us napping for their goal, but we put two more in before the end. Stoops got his second of the day with an assist from Uzi Cruz and Steven scored his first of the season with an assist from Kelvin Sam.

13 September 2025 at Olentangy Liberty (4-4)

Olentangy Liberty was a good team, but one that we could have beat. After going down 1-0 to the Patriots, the boys fought back to make the score 1-1 when Mason scored on an Oliver Kim assist. We gave up two goals after that on little mistakes that cost us big. The game ended 1-3 for the Patriots.

16 September 2025 at Grove City (4-4-1)

This game did not start the way that we wanted. We let Grove City take a 0-1 lead off a corner kick. However, the boys showed some real determination to get back into this game. In the second half, Oliver Kim took a pass from Dominic Bertone to tie the game. The game ended in a 1-1 tie.

18 September 2025 V Big Walnut (5-4-1)

With the way that we had been playing, I was worried about Big Walnut. They tend to be a fast, physical team. The boys, however, were confident going into this game and they played like it. Ryan Goleb scored the first goal off a Drew Stoops assist. Big Walnut pushed back and looked threatening, but Dominic Bertone took the ball, and slotted it past the keeper to make it 2-0. Our defense, including goalkeeper Aiden Summers, did a fantastic job keeping the clean sheet.

19 September 2025 at St. Charles (5-5-1)

Before this game started, I was very confident that we would have a good showing. Five minutes before the game, Aiden Summers almost knocked me out when he kicked a ball off my dome. The first 20 minutes of the game was blurry vision and ringing ears. That all stopped when Brogan McGlone saved a penalty late in the first. While we lost the game 0-1, we played well.

24 September 2025, The Worthington Darby (5-5-2)

Our game against Thomas has always been a special one. The kids really do bring their best for this game. All three keepers got to play in this game because it is so important to the program. There are players that score and assist all of the time, and there are players that create the plays that help the ball get into positions where people can score and assist. John Abbot is one of the players whose contributions may not show up on the score sheet, but are invaluable to the progress of the team. Another one that fits this bill is Sergio (Gavilanez LLumitaxi- I told him that he was just going to be Sergio- a one named superstar like Pele) When things would begin to wane in the front, when the team needed an injection of energy, Sergio was the man. He would chase everything, hunt down every ball and harass every defender. We were unlucky to go down 0-1 early in this game, but the head of Ali Yildiz once again brought us even with Thomas. The game ended in a 1-1 tie.

27 September 2025 V Dublin Jerome (5-6-2)

The only notable thing about this game was that it was played on the backfields. We lost 0-3. 30

September 2025 at Canal Winchester (6-6-2)

Our trip out to Canal saw us fighting for another win. Dominic Bertone started the scoring from an assist from Mason Lawrence. After giving up a goal, Kyle Mitsdafer won the game when Ryan Goleb knocked him a ball that Kyle put past the keeper.

2 October 2025 at Westerville North (6-6-3)

Even though this game was a 0-0 tie, there were two players that played their best games of the season. Rita Benaouinate was fantastic, pressing and playing great defense. When he got the ball, he combined and was dangerous. On defense, Landon Ring had his best game of the season. He locked down the right side of their attack.

9 October 2055 V Westerville South (7-6-3)

There is one player who, for the entire season, was a creative spark, a tireless defender, and just a great teammate was Aarav Tandon. Aarav did all the dirty work during games, and he did it well. When we were able to keep possession and progress forward, Aarav was pulling the strings to make it happen. During our season finale with Westerville South, Aarav and the rest of the boys put in a solid effort. Tyler Houk netted the first with an assist from Dominic Bertone. After giving up a goal on a free kick, it looked like another tie. In the last minute, Ali did what Ali does. He got up and beat all of Westerville South to a head ball on a corner for the win.

KILBOURNE
SOCCER

2025 WORTHINGTON KILBOURNE WOLVES

MEN'S JV - B SOCCER TEAM

JVB Season Summary

By Coach Eric Sunderhaus

The players on Kilbourne's 2024 JV-B Soccer team had a highly successful season. Finishing with a record of 9-5-1, ending the year with three straight wins. Although we were never a high scoring team, the defense carried us out of some close games. Out of our fifteen games (and three scrimmages), we only scored 3+ goals once.

Seven of our wins ended with a final score of 2-1. Is that a league record? The 2025 JV-B team was incredibly strong at finishing each game. Many of our 2-1 wins came with a goal in the last few minutes, and not once did they fall to a loss in the reverse situation. They fought to the end every game, which led to much success.

Each player played a pivotal role in our success. In the offense, 20 goals were scored in 15 games. Ali led the team with 6 goals, despite spending the first half of the season playing defense or midfield. It was well- deserved for Ali to get voted as Offensive Player of the Year. Hunter, who scored 2 critical goals this season, worked his way into the starting lineup due to his hard work and integrity. He made it impossible to start him off the field. Mohammed Belgasam was next in line as the scoring leader with 4 goals, proving his reliability on the wing. Jack, a captain of the team, led by example and supported his team in every way. He was voted Most Valuable Teammate, which resembles his character. Jack can play many positions, but he became the most effective in the midfield. If assists were tracked this year, I am sure that Jack had the most. Caleb scored 2 goals this year, and despite being a strong offensive player, he sat in the defensive midfield position.

Caleb's intelligence and work ethic made it clear that he could be trusted anywhere, even if he was most comfortable in the offense. Among him, Alex, Ruan and Aymen held down the defensive midfield position. Ruan, despite being smaller than his opponents, played physically and hard, never letting someone push him off the ball. Alex, a returning player, continued to be impressive in his knowledge of the position. Alex was always where he was supposed to be. Aymen proved that he was confident with the ball and could distribute great passes to the offensive players. Mohammed Elattar moved around throughout the year from the midfield to the offense, helping his team wherever he was needed. When the team needed a position to be covered, Mohammed was there to be a reliable player. Ezra, Derek and Josh played critical roles on the wing, each of them scoring a goal this year. Ezra began the year playing on the wing, but we learned about his strength in offensive runs as a striker, so he had to be moved where he would be most effective. Derek was fast and skilled on the wing and could be counted on for his impressive work ethic. Derek and Ezra both scored critical goals in 2-1 victories this year. Josh, unfortunately, missed part of the season due to an injury, but it was very obvious that we were missing his presence when he was on the sideline. He was an effective winger and played hard anytime he was on the field. Lastly, Alhadj played an important role in the offense at the attacking mid, striker and winger position. Alhadj has a strong left foot, making him dangerous in the attack. He was told all season to use his right foot more and always listened, proving how coachable and reliable Alhadj is.

Oftentimes, the offensive players get recognized for their awesome goals, but the defense should be praised just as much. As mentioned before, the team scored 20 goals in 15 games, averaging 1.33 goals per game. Our record was 9-5-1. This statistic alone should prove how incredible the defense was this season. Two of our captains, Luke and Teddy, held down the center back position. Teddy continued to be reliable in his positioning, always disrupting the opponents. At the beginning of the season, the players voted for Luke to be a captain. He is a natural leader. Luke never got upset at his teammates and always built them up, no matter how frustrating the situation. Kilbourne Soccer is lucky to have a leader like him in the future. Angel and Matthew played center back as well. Angel was a vocal leader and helped encourage the team. Matthew was known for his consistency; he never had a bad game. We knew that he was going to be a lock down defender each game. Sam played fullback this year and was talented in his ability to mark the back side. Chris played strong as a defender and was impressive in his distribution after winning the ball. Xavier continued to be a reliable defender because he hardly let players pass him and was always in the right position. Finally, Donovan was voted by his teammates as the Most Valuable Defender. This is well-deserved because Donovan always did what he was supposed to do. He was a great teammate, he worked hard and hardly made any mistakes. In my 5 years of coaching, Donovan is the smartest player I have coached.

Cole and Joao deserve praise as well, holding opponents to 19 goals in 15 games. Joao entered halfway through the season and will always be remembered for his last second PK save against Olentangy Liberty to keep the game 0-0. Joao made incredible saves and has a bright future here at Kilbourne. Cole was our solo goalie for the first half of the season and was always reliable. Cole cared about getting better and would talk to me about his performance, leading him to grow throughout the season. I can confidently say that Cole exited the season as a better goalie, due to his desire to improve. Every game, I knew that I could count on Cole to keep us in the game. I am excited to see his future as a player.

Overall, the 2025 JV-B Soccer season was a grand success. I was so impressed by the way the team united and fought hard every day. This group of players were so fun to be around and were so easy to coach. It was a pleasure watching them grow as players and as people. We are beyond proud of them and are excited to watch them progress for the remainder of their high school career, on and off the soccer field.

All Central District Team Academic Award (cumulative average 3.0+) (3.733) All American Team Academic Award 2025-2026 (TBD)

This award is given to any team that has an accumulative team GPA of 3.25 or above. However, this award is determined based on the end of the school year GPA, not the current GPA. We will have to wait until late May to determine this. But based on the current GPA I am pretty confident that we will obtain it. We did last year for the 2024-25 team. It looks good for this year too, as our current GPA is a 3.68.

Good Luck to our Seniors!

Cam Farris #2

Cameron has been playing soccer just shy of four years old. The love of the sport has given him many opportunities and experiences. One of his favorite memories was his sophomore year, when his brother, Kellen, assisted him on a goal during his Senior night against Westerville South. Cameron is a scholar athlete and maintains at 4.0 GPA. He plans to attend college and play soccer after High School.

Kaiden Maloney #5

Kaiden has been playing soccer year-round since the age of four when he joined the Worthington Youth Boosters program. He then moved to club in 3rd grade, first with Worthington United and then Columbus United. Kaiden has played soccer at Kilbourne all four years. His favorite soccer memory is beating Thomas his sophomore year. After graduation, Kaiden plans to attend college and major in Business. He also plans to seek out and find ways to incorporate soccer into his life in any way he can.

Isaiah Kim #6

Isaiah has been playing soccer for almost his whole life. It is his greatest passion and has taught him the most valuable lessons he has learned. Throughout high school, he has played for Columbus United and Club Ohio. He has played soccer at Kilbourne all through high school and is a two year varsity player. He is a four year scholar athlete, a mentor for Wolves for Cubs, and a nationalmerit semi finalist. After high school, he plans to study engineering in college. His favorite soccer memory is bonding with the varsity team at the hotel during the rafting trip Senior year.

Bowen Rick #7

Bowen started soccer at WYB at a very young age, Worthington United in the 3rd grade, Olentangy United in grade 7, then Club Ohio in 10th grade. He joined Columbus Force last year and will play with them this spring as well. The highlight of Bowen's career is scoring the winning goal against Delaware Hayes his Junior year. Bowen's interests include lifting weights, eating and playing with his dogs. After high school Bowen will attend college and is still undecided on his soccer career.

Quinn McGlone #8

Quinn began playing soccer at age 3 while living in Tennessee. After moving to Columbus Quinn continued playing for Worthington United, before joining his current club, Columbus United. Quinn has had the opportunity to play across the country as well as England on a trip with his Columbus United team. Quinn's favorite soccer memories are when he scored two goals in a playoff victory his Junior season against Teays Valley, and playing intense games of footie in the basement with his siblings. Quinn is a three-year letterman for the Worthington Kilbourne Soccer Program and is honored to represent the team as one of its captains. Quinn was awarded 2nd Team All District following his junior season. He is a member of the Wolves for Cubs program, a Link Leader, a member of the Student Athletic Leadership Board and one of the infamous Kilbourne Boom Brothers! Quinn enjoys hanging out with his friends, playing video games, and relentlessly cheering on Manchester City. After high school Quinn plans to attend college where he hopes to continue his playing career while studying engineering.

Ryan Miller #10

Ryan started playing soccer at age 4 with Worthington Youth Boosters, and Worthington United during Elementary school. Throughout middle and high school, he played club soccer at Olentangy United, Club Ohio, and Columbus Force. Outside of soccer, Ryan enjoys fishing. His favorite soccer memory is in 1st or 2nd grade singing "I believe I can fly" while dribbling down the sideline for all the parents to hear. After high school, Ryan plans to attend college, but is undecided on soccer.

Esad Alpay #11

Esad started playing soccer in 1st grade, and he played recreational soccer growing up at WYB and throughout his childhood, all the way up through high school. He has always been very passionate about soccer as an exercise and as a culture. His favorite memory from his time playing at Kilbourne was when he scored on senior night junior year against Centennial High School. Another memory is from his sophomore year when he was selected by his teammates as the most valued player (MVP). Some things he's been involved in outside of soccer are reselling, content creation, lifting, working out, traveling, leading the MSA club, and playing other sports. He has 2 varsity letters and has received the scholar-athlete title. His plan after high school is to go to college and pursue a career in the healthcare field.

Nick Nsibula #13

Nick started playing soccer at age 6. He appreciates Kilbourne Soccer for all the experiences and memories it has given him. His favorite memory was the rafting trip. Playing soccer has been an important part of his life and something he has enjoyed throughout the years. After high school, Nick plans to attend college and major in Finance. He wants to thank his family, teammates, and coaches for their support, guidance, and encouragement.

Ryan Foisset #14

Ryan's love for soccer started in preschool when he was introduced to the sport through a program called Soccer Shots. Ryan was coached by his dad in WYB soccer for several years before playing for Worthington United. His favorite memories have been the soccer rafting trips and breaking the school record for the two-mile timed run his senior year. Ryan is a multi-sport athlete running varsity XC, indoor track (club sport) and varsity track. Ryan is a four-year scholar athlete, a link leader, a member of the Student Athletic Leadership Board, and has earned his Bronze and Silver Key Academic Awards. After high school he has an interest in pursuing a bachelor's degree in radiologic sciences specializing in Radiation Therapy.

Grant Darner #17

Grant started playing soccer when he was 6 or 7 years old and has continued to grow his love for the game ever since. Over the years, soccer has been a big part of his life, both for the competition and the friendships it's created. One of Grant's favorite memories from his time playing at Kilbourne was beating Thomas during his sophomore year and winning the OCC that same season, a moment he'll never forget. Outside of soccer, Grant enjoys spending time with friends, staying active, and exploring new interests. After high school, he plans to attend college—hopefully at The Ohio State University—to study business or engineering.

Ian Varga #20

Ian started playing soccer as soon as he could walk, but joined Worthington Youth Boosters at age 5, with his Dad as his Coach. He moved to Worthington United in 5th grade and stayed through freshman year. He transferred to Columbus United and then Columbus Force. The highlight of his soccer career was winning a championship when coached by his Dad in WYB. Ian's interests include working out, watching Premier League soccer and hanging out with family and friends. He started his own window cleaning business with his buddy Brad, so that keeps him busy outside of school and soccer. After high school, Ian will attend college and major in Business. He is looking forward to playing collegiate soccer.

Paul Sterenberg #22

Paul played a variety of sports growing up, and really found his love for soccer when he started with the Kilbourne soccer program. Paul played for Worthington Youth Boosters, and Worthington United as well as Dublin United and Club Ohio North. Paul's favorite soccer memories are hanging out with his JVA teammates after the games and singing in the locker room. Paul is a 4-year scholar athlete, and was chosen as a captain of the JVA team his sophomore year and the varsity team his senior year. He helped found the Fellowship of Christian Athletes at Worthington Kilbourne and is a two-year member of the Student Athlete Leadership Board. He is also involved with Kilbourne's student council, National Honor Society, Young Life and his church youth group. In his free time, he likes to ski and golf and enjoys hanging out with friends. After high school, he plans to study business but is undecided on where to attend. Paul would like to thank his Kilbourne coaches and especially Patty for believing in him and pushing him past his limits.
