Dietary Accommodations

Carmine’s will handle guests with dietary needs separately, with a meal similar to the group selections but adapted to their requirements. Include specific allergens, ingredients to avoid, cross-contact concerns, and a contact number. Particular requests must be coordinated with Carmine’s; an allergen-free environment or freedom from cross-contact cannot be guaranteed. Contact Lopez Studios about serious allergies and update changes promptly. Identify dietary needs relevant to onboard snacks and gift-bag treats as well.
