

# Double Your Impact!

## Transform a Life at the Crossroads

**Every transformational story begins at a crossroads**, a school on the verge of closing, a missionary torn between calling and financial hardship, a frightened child searching for safety and truth. In these tender, pivotal moments, **ASAP's Greatest Needs Fund steps in so ministry doesn't stop, so teachers can keep teaching, missionaries can keep serving, and the light of the gospel can keep reaching the places that need it most.**

One of those stories belongs to Naw Mi Htoo, a young girl from Myanmar.\*

Every day, as Naw Mi Htoo watched her animist parents placing their offerings to the spirits in the spirit house on the corner of their land, the same anxiety and fear gnawed at her soul. How she wished that the spirits would be satisfied with their offerings so that they could have peace, but somehow they never were.

**When Naw Mi Htoo enrolled in the ASAP-supported Tek Mo Lar Primary School,\* everything changed!** As she heard about a Creator God who loved her deeply, hope began to rise in her heart. This God was not like the spirits her family had to appease. He was a Savior who came to rescue her! Quickly, she learned to love Jesus. But, when she asked her parents for permission to be baptized, they angrily refused, insisting it would bring shame on the family. Even so, in her heart, she clung tightly to her newfound faith.

This year, God opened a new path for Naw Mi Htoo at ASAP-supported Pai Wan Sang Middle School.\* Living in the dorm and now able to worship God freely, peace filled her heart. During Week of Prayer she heard the Holy Spirit telling her, "Don't delay, now is the time to be baptized." Without hesitation, she said, "Yes, Lord," and gave her life to Jesus through baptism. **Today, the fear that once defined her life has been replaced with peace, joy, and a desire to serve wherever God leads.**

**Stories like Naw Mi Htoo's happen because the Greatest Needs Fund is ready the moment help is needed,** keeping schools like hers open, teachers paid, meals provided, and ministry moving forward without interruption.

And right now, **your impact can be twice as strong!**

A generous partner has offered a **\$200,000 matching gift, doubling every gift you give to the Greatest Needs Fund.** Your \$25 becomes \$50. Your \$100 becomes \$200. Your \$2500 becomes \$5000 to strengthen mission schools, support local missionaries, and meet urgent humanitarian needs.

Across Southeast Asia, needs are rising, schools face unpredictable shortfalls, missionaries serve without full support, and families displaced by crisis depend on ASAP for food, medical care, and shelter. **Your gift today determines whether ministry pauses...or presses forward.**

Will you help keep hope alive, and have your gift doubled?

Thank you for standing with us and ensuring the gospel continues to shine in the hardest to reach places.

With gratitude,

Darryl Hosford  
President  
ASAP Ministries

*P.S. Your gift today will go twice as far! Please don't wait to make your impact.*

### Ways to Give

1. Mail your gift with the provided envelope
2. Call 269.471.3026
3. Scan the QR code or give online at [asapministries.org/appeal/match](https://asapministries.org/appeal/match)
