Grounds for data collection

The processing of your personal information is necessary for the performance of our contractual obligations towards you and providing you with our services, and to protect our legitimate interests and compliance with legal and financial regulatory obligations to which we are subject.

When you use the Site, you consent to the collection, storage, use, disclosure, and other uses of your Personal Information as described in this Privacy Policy.

We encourage our Users to carefully read the Privacy Policy and use it to make informed decisions.

WHAT INFORMATION WE COLLECT?

We collect two types of data and information from Users.

The first type of information is un-identified and non-identifiable information pertaining to a User(s), which may be made available or gathered via your use of the Site. We are not aware of the identity of a User from which the Non-personal Information was collected. Non-personal Information which is being collected may include your aggregated usage information and technical information transmitted by your device, including certain software and hardware information (e.g. the type of browser and operating system your device uses, language preference, access time, etc.)

In order to enhance the functionality of our Site. We may also collect information on your activity on the Site (e.g. pages viewed, online browsing, clicks, actions, etc.).

The second type of information is personal information which is individually identifiable information, namely information that identifies an individual or may with reasonable effort identify an individual. Such information includes:

- **Device Information:** We collect Personal Information from your device. Such information includes geolocation data, IP address, unique identifiers (e.g. MAC address and UUID) and other information which relates to your activity through the Site

- Registration information: When you register to our Site you will be asked to provide us certain details such as: full name; e-mail or physical address, and other information

WHAT INFORMATION WE COLLECT?

We do not rent, sell, or share Users' information with third parties except as described in this Privacy Policy.

We may use the information for the following:

- Communicating with you – sending you notices regarding our services, providing you with technical information and responding to any customer service issue you may have.
- To communicate with you and to keep you informed of our latest updates and services.
- To serve you advertisements when you use our Site
- To market our websites and products
- Conducting statistical and analytical purposes, intended to improve the Site
- In addition to the different uses listed above, we may transfer or disclose Personal Information to our subsidiaries, affiliated companies, and subcontractors

In addition to the purposes listed in this Privacy Policy we may share Personal Information with our trusted third-party providers, who may be located in different jurisdictions across the world, for any of the following purposes:

- Hosting and operating our Site
- Providing you with our services, including providing a personalised display of our Site.
- Storing and processing such information on our behalf
- Serving you with advertisements and assist us in evaluating the success of our advertising campaigns and help us retarget any of our users
- Providing you with marketing offers and promotional materials related to our Site and services
- Performing research, technical diagnostics, or analytics

We may also disclose information if we have good faith to believe that disclosure of such information is helpful or reasonably necessary to:

- Comply with any applicable law, regulation, legal process or governmental request enforce our policies (including our Agreement), including investigations of potential violations thereof

- Investigate, take action activities or suspected issues:

detect, prevent, or regarding illegal other wrongdoing, fraud or security

- To establish or exercise our rights to defend against legal claims
- Prevent harm to the rights, property or safety of us, our users, yourself or any third party
- For the purpose of collaborating with law enforcement agencies and/or in case we find it necessary to enforce intellectual property or other legal rights.

USER RIGHTS

You may request to:

- Receive confirmation as to whether or not personal information concerning you is being processed, and access your stored personal information, together with supplementary information
- Receive a copy of personal information you directly volunteer to us in a structured, commonly used, and machine-readable format.
- Request rectification of your personal information that is in our control.
- Request erasure of your personal information.
- Object to the processing of personal information by us.

COOKIES

We and our trusted partners use cookies and other technologies in our related services, including when you visit our Site or access our services.

A cookie is a small piece of information that a website assigns to your device while you are viewing a website. Cookies are very helpful and can be used for various purposes.

These purposes include allowing you to navigate between pages efficiently, enabling automatic activation of certain features, remembering your preferences and making the interaction between you and our Services quicker and easier. Cookies are also used to help ensure that the advertisements you see are relevant to you and your interests and to compile statistical data on your use of our Services.

The Site uses the following types of cookies:

- Session cookies, which are stored only temporarily during a browsing session in order to allow normal use of the system and are deleted from your device when the browser is closed.
- Persistent cookies, which are read only by the Site, saved on your computer for a fixed period and are not deleted when the browser is closed. Such cookies are used where we need to know who you are for repeat visits, for example to allow us to store your preferences for the next sign-in.
- Third party cookies, which are set by other online services who run content on the page you are viewing, for example by third party analytics companies who monitor and analyse our web access.

Cookies do not contain any information that personally identifies you, but Personal Information that we store about you may be linked, by us, to the information stored in and obtained from cookies. You may remove the cookies by following the instructions of your device preferences: however, if you choose to disable cookies, some features of our Site may not operate properly, and your online experience may be limited.
