Special Weeks

Aug 24-30 – Group Week – Part of being a well-rounded musician is being able to play with other musicians. This week there will be no regular lessons and students will be given an opportunity to sign up for group classes. Students can sign up for classes on their instrument or try something new. We'll learn and practice the skill of playing together.

Mar 8-14 – Master Class Week – Master class week is on of our favorite weeks of the year. This week there will be no regular lessons. All week there will be class opportunities to delve, in depth, into topics that we usually don't have time to really dig into in lessons.
