

THE DAIRY

Stay the night before your wedding

The Dairy is our beautiful bijou character cottage and getting-ready studio, located in the grounds of the Rockbeare Manor Estate.

It makes the perfect place for a Bride and her Bridesmaids (or a Groom and his Groomsmen!) to meet, stay the night and embrace the suspense and excitement of what's to come.

Arrivals are from 4.00pm where you can get settled and unwind. We have self-catering facilities for you to enjoy a relaxed meal in, or perhaps you could venture out to a local pub.

In the morning, hair and make-up suppliers can be with you as early as you wish and that will mean you will have plenty of time to really take in everything about this memorable occasion.

At 11.30am your Event Manager will escort you to our stunning Drawing Room at Rockbeare Manor for dress fittings, drinks and to continue making all of those finishing touches.
