CORE PROGRAMS:

Sports & Fitness

We offer a variety of sports & fitness programming here at our Club. Sports and fitness programs help build sportsmanship, encourage teamwork and promote constructive use of leisure time through athletic leagues, individual sports and social competence.

Education & Career Development

We offer daily educational activities throughout the summer including technology & robotics, science clubs, reading clubs, stem programs, career exploration activities and much more.

Character & Leadership Development

These programs give members ample opportunity to serve their community and others as they realize they are part of something much bigger than themselves.

The Arts

We are pleased to offer an array of arts programs that are as broad as our members' interests. Whether its music, fine arts, drama or dance, the arts room is one of the most popular places to be at the Club.

Health & Life Skills

The Club plays an important role in helping our members make smart decisions and establish healthy habits. From building self-esteem to dealing with peer pressure to creating healthy eating habits, we offer comprehensive health and life skills programming.
