# POWER TIME NEWSLETTER

February 2026 | Grades K-5

Project Learn: Power Time  
Mondays through Thursdays  
3:45pm to 4:30pm  
Required for Grades K-5

Our Project Learn: Power Time program is an important part of our after-school schedule, designed to support academic success and build positive learning habits for our K-5 members.

Power Time is funded through our 21st Century Community Learning Centers Grant, allowing us to provide structured learning support at no cost to families.

Power Time is a fun, but focused learning period—students are expected to try their best and participate respectfully.

Staff provide guidance and support but encourage independence and problem-solving.

## Homework Help!

### ***Mondays & Tuesdays Only!***

Dedicated homework help and academic support in our Teen Tech Center for Grades K-5!

Staff are available to assist with assignments, reading, and skill practice.

## No Power Time:

Monday, February 16  
Due to the No School Day  
Power Time will resume  
on Tuesday, February 17.

# reminders & information

## FEBRUARY 2026

### Outside & Winter Weather

We will continue to utilize outdoor time as weather allows, so please be sure your child comes dressed appropriately for the conditions: Coats, hats, gloves snow pants & boots!

School Cancellations & Closings: Please check our Facebook page or website for the latest announcements. We will post our schedule and hours of operation if school is dismissed early or cancelled due to weather.

### Membership Cards

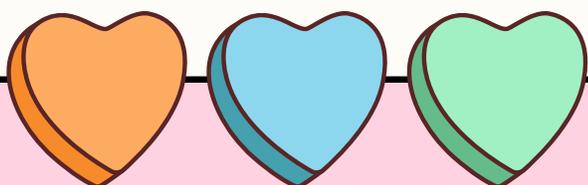

Club members must have their membership card to sign in and sign out each day they attend the Club. Membership cards are also required to check out games and to use any Club-owned electronic devices or gadgets.

Replacement cards may be purchased for \$2.00.

### Safety Reminders:

We expect all members to follow Club rules and show respect, responsibility, and kindness to all adults & youth. Walking feet are required inside the building, and Club property should be treated with care. Staff prioritize safety and positive behavior at all times. Our goal is to provide a safe, supportive, and welcoming environment for every child.
