2026 NEWSLETTER

**BOYS & GIRLS CLUB
OF ABERDEEN AREA**

IMPORTANT INFO & REMINDERS:

- **Winter Weather Gear:** Please help your child prepare for colder temperatures! This means sending them with warm coats, hats, gloves or mittens, and scarves as needed. We'll still be heading outside for some fresh air as much as possible, so proper attire is essential for them to stay comfortable and healthy.
- **Hydration:** Even in cooler weather, staying hydrated is important! Please continue to send a reusable water bottle with your child daily.

THANK YOU FOR YOUR
CONTINUED SUPPORT AND
PARTNERSHIP! YOUR
INVOLVEMENT MAKES A HUGE
DIFFERENCE IN YOUR CHILD'S
LEARNING JOURNEY.

PLEASE DON'T HESITATE TO
REACH OUT VIA EMAIL IF YOU
HAVE ANY QUESTIONS OR
CONCERNS.

HOW TO SIGN UP

Our facility operates as a drop-in program, meaning members may choose to participate in any club or program they are interested in. Space is limited due to room size and overall facility capacity, so participation is on a first-come basis.

WHEN & WHERE DO CLUBS MEET?

Programs meet in a variety of rooms throughout the club.

The time and location will be announced by Club staff the day of the program.

If a club falls on a non-school day, early dismissal day, or snow day, the club will not meet. Snow days and school cancellations will not be rescheduled.

HOW DO MEMBERS KNOW WHEN A CLUB IS MEETING?

Club staff will announce the program name and location over the intercom system.

It is the member's responsibility to attend the program by going to the designated area when announced.

If you would like your child to participate in specific programs, please remind and encourage them to attend on the days the program meets.

WHO CAN JOIN?

Members may join programs at any time throughout the year.

Some programs have age or grade restrictions due to curriculum content or safety considerations. Please respect these guidelines so we can maintain a safe environment for all members.

WHEN DO PROGRAMS RUN?

- Session 1: Monday, January 5, 2026 – Friday, February 27, 2026
- Session 2: Monday, March 2, 2026 – Friday, May 1, 2026

Art Exploration Club: A fun, hands-on club where kids explore the 8 forms of art—drawing, painting, sculpture, crafts, music, dance, theater, and digital art. Members experiment with materials, express their creativity, and build confidence through playful projects and group activities.	Science Club: An exciting, hands-on club where kids explore science through fun experiments, simple investigations, and creative challenges. Members build curiosity, practice problem-solving, and discover how science works in everyday life while working together in groups.	Card Sharks: A fun and engaging club where kids learn and play a variety of card games that build math skills, strategy, memory, and good sportsmanship. Members practice teamwork, following rules, and critical thinking—all while having fun. Different games will be played each week!	Dodgeball League: An active and high-energy league where kids build teamwork, coordination, and sportsmanship through fun, age-appropriate dodgeball games. Members learn fair play, communication, and confidence while staying active and having fun.	Lego Engineers: A hands-on STEM club where kids design, build, and problem-solve using LEGO bricks. Members explore basic engineering concepts, creativity, and teamwork through fun building challenges and imaginative projects.
