GRADES 1-5 PROGRAM DESCRIPTIONS:

Session 2: Monday July 6, 2026 – Friday August 14, 2026

MONDAYS	TUESDAYS	WEDNESDAYS	THURSDAYS	FRIDAYS
10:00am Garden Club Classroom Garden Club invites members to get their garden knowledge on while learning about nature, responsibility, and healthy living. Through hands-on gardening activities, members will plant, nurture, and harvest vegetables, herbs, and flowers while discovering the science of how things grow.	10:00am Soccer Club Gym/Outside Soccer Club is a fun, energetic group that brings together kids and teens who love the sport of soccer. The club offers an opportunity for members to develop their soccer skills, learn about teamwork, and engage in friendly competition, all while staying active and building confidence.	10:00am Chess Club Classroom Chess Club offers a fun and informal introduction to the game of chess. Members learn the basic moves, rules, and simple strategies in a relaxed, supportive setting. The program wraps up with a friendly tournament-style competition, giving participants a chance to practice their skills and celebrate their progress.	10:00am Team Sports Gym/Outside Team Sports Club offers members the opportunity to learn, practice, and compete in a variety of team-based sports such as basketball, soccer, volleyball, and more. The club focuses on building fundamental skills, teamwork, sportsmanship, and healthy competition in a fun and supportive environment. Members develop physical fitness, communication skills, and confidence while working together to achieve common goals.	10:00am Garden Club Classroom Garden Club invites members to get their garden knowledge on while learning about nature, responsibility, and healthy living. Through hands-on gardening activities, members will plant, nurture, and harvest vegetables, herbs, and flowers while discovering the science of how things grow.
2:00pm Book Club Classroom Book Club encourages youth to explore new stories, expand their imagination, and develop a love for reading. Members participate in group discussions, themed activities, and creative projects that bring books to life. The club strengthens literacy skills, critical thinking, and confidence while creating a fun and welcoming space for young readers.	2:00pm Painting Club Art Room Painting Club invites young artists to explore their creativity through brushstrokes, color, and imagination. Members will learn painting techniques, study different styles, and express themselves through individual and group projects. Painting Club is a highly popular program at our Club!	2:00pm Science Club Tech Center Science Club is a group dedicated to exploring the wonders of the natural world through hands-on activities, experiments, and investigations. The goal is to inspire curiosity about science, encourage critical thinking, and give members the chance to discover the many different branches of science, from biology and chemistry to physics and environmental science.	2:00pm Cooking Club Dining Room Cooking Club is a group focused on promoting physical, mental, and emotional well-being through fun activities, education, and healthy lifestyle practices. The club encourages young people to make choices that support their overall health, such as eating nutritious foods, staying active, practicing self-care, and maintaining a positive mindset.	2:00pm STEM Club Classroom STEM Club provides youth with exciting, hands-on experiences in science, technology, engineering, and math. Through interactive experiments, coding activities, and creative building projects, members strengthen problem-solving and teamwork skills. The club inspires curiosity, innovation, and confidence while preparing students for future academic success.

GRADES 1-5 PROGRAMS:

HOW TO SIGN UP

Our facility operates as a drop-in program, meaning members may choose to participate in any club or program they are interested in. Space is limited due to room size and overall facility capacity, so participation is on a first-come basis.

WHEN & WHERE DO CLUBS MEET?

Programs meet in a variety of rooms throughout the club.

The time and location will be announced by Club staff the day of the program.

If a club falls on a non-school day, early dismissal day, or snow day, the club will not meet. Snow days and school cancellations will not be rescheduled.

HOW DO MEMBERS KNOW WHEN A CLUB IS MEETING?

Club staff will announce the program name and location over the intercom system.

It is the member's responsibility to attend the program by going to the designated area when announced.

If you would like your child to participate in specific programs, please remind and encourage them to attend on the days the program meets.

WHO CAN JOIN?

Members may join programs at any time throughout the year.

Some programs have age or grade restrictions due to curriculum content or safety considerations. Please respect these guidelines so we can maintain a safe environment for all members.

WHEN DO PROGRAMS RUN?

- Session 1: Monday, May 18, 2026 - Thursday, July 2, 2026 (Club Closed Friday, July 3, 2026)
- Session 2: Monday, July 6, 2026 - Friday, August 14, 2026
