

Community Assembly of the British Isles

Restoration not rebellion

When the system forgot the people, the people remembered who they are.
Not protest – Parallel creation.

Who Are We?

CA British Isles is a Private Members' Association (PMA) uniting people throughout the British Isles and across the world.

We live freely under:

- Natural Law
- Mutual Consent
- Self-Governance

What We Refuse

- Corporate Rule
- Centralised Control
- Medical Tyranny

Why Now?

- Government ignores and fails to protect
- Corporations erode our rights in the name of 'safety'
- Crushing taxes on fuel, utilities, earnings, savings and council tax – while billions flow to corporations

Our Vision

CA British Isles is a map of voices and choices. Together we:

- Rebuild local communities
- Reclaim our sovereignty
- Restore freedom for all

We have not lost faith – we have rediscovered it.
You are not alone. You are not powerless. You are needed.

Step forward ~ Reclaim your freedom ~ Restore a way of life
that honours humanity, Nature and Planet Earth.
