Dear Name (as above) or Sir/Madam

**Notice to Agent is notice to principal, notice to principal is notice to agent**

Further to your correspondence dated ....., I must inform you that I am not on your register of my own choice.

This is because I do not wish to vote and I do not recognise legislation as anything more than guidance. You must understand that I do not consent to you holding my personal data and that I will hold you personally liable should my information be distributed to anyone else.

It is my duty to put you in the knowledge that you will be held fully responsible for any damage that this may cause.

Yours sincerely (Yours faithfully if Sir/Madam)
