## “Temperature Quilt” Raffle Raises Money for FEF

Submitted by Joann Dornhecker

In the summer of 2025, the Class of 1965 held its 60th reunion. For that reunion, classmate Mary Gookins made a “Temperature Quilt” to be raffled to raise money for the Falls Education Foundation.

A “Temperature Quilt” shows the daily temperature in International Falls every day of 1965. This was quite an endeavor for Mary to make, and several classmates donated hoping to be the winner.

The raffle winner at the 60th reunion was Terry Randolph. Sadly, Terry passed away this summer. His family donated the quilt back to the class to raise additional funds for the FEF. Terry's sister, Mary LePage, helped to make the donation back to the class.

The Class of 1965 later held a bid process via email and from that bidding, Tony Oveson won the quilt at \$775.

## Fourth of July Parade

## Class of 1957 Annual Lunch

Submitted by John Harris

The FHS Class of 1957 (G.O.A.T) met at the Thunderbird Lodge on July 16 for its annual luncheon. Twenty-one classmates and guests enjoyed a few hours of fun, lunch, and reminiscing. Attendees reflected on their experiences over the 69 years that have so quickly passed since high school graduation. Alvin Anderson provided musical entertainment. Jan Sawchuk Madson treated the group to a decorated cake. The ever-crafty Norm Boyum made a handy boot remover door prize that was won by Alvin Anderson. This class does its best to get together in Int'l Falls once a year.

Attendees pictured are:

Submitted by  
Rich Glennie, Class of '66

Once my wife retired, we decided to join a coffee group for conversation. In reality, the conversations aren't that great, but our attendance gets us out of the house and an opportunity to talk to people other than ourselves.

On Mondays, she attends a ladies group, while I attend the men's session.

Then we compare notes. I was curious about what women talk about.

It turns out a major topic among the women is men. Most of her group are elderly widows, so their husbands are not around to defend themselves.

My wife says a main topic among the ladies is: "Who's that guy?"

She identifies them each time, but it apparently doesn't stick.

She also learned that the ladies' interest pique when they find out the old man still has a full head of hair, can still drive at night or is a widower. Or all of the above. Men? It's generally bathroom humor as the topic of choice.

The Monday morning men's coffee group is hilarious. It's often similar to a scene from "Grumpy Old Men."

One pair reminds me of the beloved Minnesota-based movie. The two are constantly playing practical jokes on each other between the barrage of verbal insults.

Most of the old guys wear hearing aids. Despite that, the most common phrases are "What?" or "What'd you say?" Either they all have cheap hearing aids, don't know how to use them properly, or just want to see if they can get you to say something over again just to be irritating.

I had one elderly gentleman show up at every session and check my ears. He'd lean over to look at my ears and ask if I wear hearing aids. Every time I replied I don't. He always had an incredulous look on his face. It's like he's amazed.

Next week, it's the same discussion. I suspect hearing was the least of his worries.

What I didn't tell him is that my wife also thinks I should have hearing aids. We have a running debate at home over hearing. I think she mumbles a lot; she thinks I can't hear or just don't pay attention.

That she's three rooms away with her head in the refrigerator saying something while I'm reading the newspaper or watching the TV news is beside the point.

We're still married though.

To settle the argument, I had my hearing checked by a professional. I had a headset on, while she would signal with a beep at various decibel levels. I'd raise my hand if I heard it. One time, I raised my hand, but she said she had not sent a beep.

I told her my hearing must be great because I can often hear my wife before she says anything. The hearing specialist also thought hearing may not be my biggest issue.

But the results vindicated both my wife and me. The tests indicated that the male voice and its deeper tones were easily heard. The higher-pitched female voice, however, was more difficult for me to understand, or hear.

In my logic, that is a decisive win ... for me.

Now if my wife only got a deeper voice, the problem would be solved.

As I said ... and we're still married.

## Class of 1976 Reunion

Submitted by Judy Olafson

Hello from the Class of 1976!

We had an awesome time at our 50th reunion and truly missed the classmates that were not able to attend, and we tried hard to have some extra fun for them.

Our 50th reunion activities included: Friday Funday at Timber Pins Bowling Center - There was bowling, lawn darts, and a bonfire. We had cocktails and great food at Timber Pins as well! Saturday Shenanigans - Pickleball open play was at Holler Courts. Saturday pig roast was at Ranier Community Building. We had games, a class photo, and a short program after dinner. There was music and great conversation following.

For dinner, the menu was: Pulled pork with bun by pitmaster Steve "Moose Moose" Museta, baked beans by sous chef Mike Sundin, potato salad, cole slaw, chips, pickles, and delicious cookies by Cake & Crust Artisan Bakery!

We had a surprise guest on Saturday, the one and only Mr. Darrell Schmidt. He presented us with two poems which were read at the reunion, including The Dash by Linda Ellis, and 50th High School Reunion by Theresa Anne Moore. Everyone had a great time visiting with Darrell, and he was made an Honorary Class of '76 member, bringing our total classmate attendance to 100!

We would like to thank our Reunion Club. ...you all worked hard to pull this off! Club members are: Cathie Vigoren Dougherty, Cathy Lynch Readman, Kathy Smerika Bracken, Jan Kaminski Takaichi, Joanne Chezick Amerud, Liz Amidon Johnson, Judy Olafson, Jack Karsnia, John Walls, Rob Ecklund, Scott Griffith, Brad Summer, Rocky Besch. There are no requirements to become a club member, just come to meetings and have a great time with good friends. Please join us!

We would also like to thank those classmates that volunteered their time and talents, including: Pitmaster Steve "Moose" Museta, and his lovely wife, Bobb, the pulled pork was amazing. Mike "Baked Beans" Sundin, the beans were tremendous. Jack Karsnia and his photographic wizardry and excellent round up skills. Sue Rosenthal Frank, email address getter extraordinaire. Pam Miller Rooney, our talented designer of our Rock and Roll party time t-shirt. Wendy Matson Smith, sewed and donated the beautiful Smokey Bear quilt for our prize for the Falls Education/Purple Pride fundraiser that we had. She also made the potholders that each classmate was given – so much talent.

We are so lucky to have so many talented classmates. We were asked several times how many we had in our class. This is what we discovered: There were 253 names in our yearbook glossary, there were 244 senior photos in our yearbook, there were 264 names in our graduation program, our mailing list has 297 names and our deceased list has 61 names.

We held a fundraiser for Falls Education Foundation and Purple Pride and raised \$2,310 with our registration. We received \$257 from Tilson Bay Company, as they donated 20% of merchandise sales back to us, and we donated it to the FEF/Purple Pride fundraiser. We held a last chance donation Saturday night and raised \$625 for a grand total of \$3,012. Falls Education and Purple Pride will each receive \$1,506 from the class of 1976. Way to go, classmates!

Our next shindig will be our 70th birthday party in 2028! We hope to see you all there!
