Communicable Disease Screen Form

The Ohio Department of Jobs and Family Services requires each child placed in foster care to be examined for common communicable diseases upon placement in a foster home. Please assist in these efforts by examining the child for disease, illness, or injury according to your medical expertise (*exam must be completed by a licensed physician, registered nurse, licensed practical nurse, or physician's assistant*).

Below is a list of communicable diseases according to the Ohio Department of Health. Please review this list to guide the examination before signing below. Thank you!

Chickenpox	Head Lice	Ringworms
