Message from Administration

Dear Parents,

This week is very significant for Christ's followers. Because of Jesus' resurrection, there is no longer fear of sin or death. We have true hope because we know Jesus paid the ultimate price for us. What a joy it is to share that hope with others. Mark 16:15 says, "And he said to them, 'Go into all the world and proclaim the gospel to the whole creation.'"

So many people in my life are struggling and have lost hope. Unfortunately, when we focus on our circumstances, things can look hopeless. Imagine how hopeless the disciples felt when Jesus was crucified. It would have been

impossible for them to understand that victory was right around the corner. As we celebrate Easter this weekend, let's focus on God and His promises, knowing that our debt has been paid,

In Christ,
Dr. Mary Strickland
