Dear Parents,

Last Friday in secondary chapel, Coach Adams shared Romans 12:2 with our students. The scripture says, “Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God’s will is—his good, pleasing and perfect will.” The context of his message was how important it is to be tuned into God when we are making decisions. The way to know God’s will is spend time with Him in worship, prayer, and scripture.

How often do we look to the opinion of others to make decisions? How often do we make decisions based on our emotions? I think that’s what ‘conforming to the pattern of this world’ means. Instead, we need to be transformed by the spiritual practices that bring us closer to God that help us discern His perfect

will.

In Christ,
Dr. Mary Strickland
