MESSAGE FROM THE RECTOR

Spiritual Pathways

Engaging in spiritual practices is how we grow in our faith. One of the most common (and important) spiritual practices for us Christians is celebrating the Eucharist. Going all the way back to Jesus' last supper with his disciples, followers of Jesus have gathered to tell the story (Liturgy of the Word) and to break the bread (Liturgy of the Eucharist). This practice shapes and forms us as disciples striving to live the Way of Love, reminding us who we are (God's beloved) and what we are called to do (love and serve the world in God's name).

But the Eucharist isn't the only spiritual practice. There are literally hundreds of ways to grow closer to God and one another. Some people find spiritual growth and enlightenment through nature walks, or yoga, or serving the less fortunate. Others grow through learning and enjoy book groups, discussions and Bible study. Others engage in prayer practices like meditation or morning prayer or compline from the Prayer Book. Some enjoy retreat experiences or days of reflection. There are countless spiritual practices: knitting, visiting someone who is sick, being a Eucharistic visitor, singing in the choir, etc. etc. etc...

As a way of organizing and expanding spiritual practices here at St. Michael's, we have created Spiritual Pathways. This effort "seeks to nurture the sacred journey of each individual by offering diverse spiritual pathways that awaken the heart, engage the body, and expand the soul. Through contemplative practice, active service, compassionate care, formation and communal worship, there are opportunities for transformation, healing, and deeper connection with the unconditional love of God. Rooted in love and open to all, we walk together on the journey of sacred discovery."

Here's a link to the 6 pathways:

Printed brochures are also available. [DOWNLOAD](#)

These offerings are not just for parish members; they are open to all. Take a moment to explore this summary of our spiritual pathways and consider how God might be calling you to engage and deepen your faith. Share them with a friend or neighbor. It just might be the spark that helps someone find a spiritual home with us.

Peace, Bill+

Doreen Bolhuis Named Coordinator of Spiritual Pathways

We are pleased to announce that **Doreen Bolhuis** has agreed to be the Coordinator of Spiritual Pathways at St. Michael's. This is a big endeavor, and we are so grateful for Doreen's help in getting it off the ground. In this role she will guide all the ministry leaders that are involved in the 30 areas covered within the six pathways we have identified. She will be meeting with the leaders, affirming all their efforts and engaging them in sharing stories of their individual ministries. Some of these will form the basis of the Spiritual Pathways Newsletter that I will be creating so we can all learn and grow from others on their journeys.

Doreen's educational background includes a B.S. in Education, Certified Business Coach, and Master's Degree in Ministry. After 40 years as a small business owner, she sold her business and retired to Sanibel in 2019 with her husband **Mark**. Doreen has been active in the community and in the St. Michael's Choir and multiple ministries. God always has a plan and over the summer she expressed her desire to help others experience God more deeply; and I was able to share with her our ideas about Spiritual Pathways and it was clear it was a perfect fit. Thank you Doreen, for following the Spirit's nudge! You will be hearing much more from Doreen in the months to come but here are a few opening thoughts from her:

"Spiritual Pathways offers us places of love and peace. A place of community where people can seek God together in our unique callings. I invite you to join us to journey in faith and deepening connections with God's immeasurable love."

Two Worship Services Begin

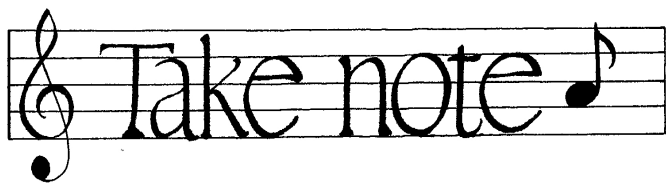

We'll change our seasonal rhythm again on **Sunday, November 2nd** as we start our 8:00 a.m. and 10:30 a.m. worship services on Sunday. If you know someone who's not been able to come to church lately, you might want to remind them of the time change - or even invite them to come.

"Everyone is Welcome" Artwork

Thank you to **Susie Wilson** for the beautiful diamond art project she created and donated to church. Its "Everyone is Welcome" theme fits perfectly with who we are, and it is hanging in the entrance hallway. For those who have been out of town, here it is:

Do you enjoy singing? Saint Michael's welcomes everyone to try out the choir, even for just a single rehearsal or a service. No audition required, and no special skills are needed, except a love of singing and a desire to participate. Come at 12:00 p.m. any Friday to the Music Room or contact Choir Director **Erik Entwistle** (music@saintmichaels-sanibel.org) for more information. Choir singing is so much more than just a fun activity - it can be a joy-bringing, spiritual experience that contributes an essential and uplifting dimension to the liturgy. Rehearsals begin Friday, October 3rd at 11:00 a.m. (this week), then joining together for lunch at Doc Fords afterwards.

**Tuesday, October 14th & 28th
at 8:30 a.m.**

In October, Men's Fellowship will resume meeting two times per month - on the second and fourth Tuesdays. We will continue meeting at 8:30 a.m. in hybrid format in the Church Library.

Chuck Sterrett will lead the program on **October 14**, with a presentation on nuclear power, the industry in which he spent most of his professional career.

The Jewish concept of "midrash" will be the focus of our **October 28** meeting. Midrash (capital M) is a formal commentary on the Hebrew Bible, compiled over time by Hebrew scholars. Midrash (small m) is a concept of studying scripture, looking for hidden meanings.

Our meeting on **November 11**, which is also Veterans' Day, will feature St Michael's Parish Nurse, **Wendy Warner** (Lieutenant Colonel, USAF (Retired) and former Flight Nurse. She will share some of her experiences and observations as a nurse and how her faith has encouraged and inspired her.

All men of St. Michael's are welcome to attend. For more information contact **Bill Larson** or Susan G. in the Church Office.

Info on Covid Vaccines

"In Florida, pharmacies can administer the 2025-2026 Covid-19 vaccine to eligible adults (18+) without a prescription, provided they have a protocol agreement with a supervising physician. Major pharmacies like Publix, Walgreens, and CVS have confirmed they are offering the updated shot." Basically, it is an approved standard for vaccinations that pharmacies follow.

From Your Parish Nurse, Wendy

October is Breast Cancer Awareness Month. The following are statistics quoted from the

National Breast Cancer Foundation Inc. “One out of every eight women in the United States will be diagnosed with breast cancer in her lifetime.” “In **2025, an estimated 316,950 women and 2,800 men will be diagnosed with invasive breast cancer**, and an additional 59,080 new cases of non-invasive breast cancer will be diagnosed.” Breast cancer does affect all races and all ethnic groups. “Black women are **40% more likely to die from breast cancer** than white women.” Hispanic women have a lower incidence of breast cancer than any other group. Asian, Pacific Islanders, 1 American Indian and Alaska Native women all have a lower incidence of breast cancer and death from breast cancer. Of all ethnic groups, “an estimated **42,170 U.S. women will die** from breast cancer in 2025.” “**Breast cancer is the most common cancer in American women**, except for skin cancers.” “Half the women diagnosed with cancer are 62 years old or younger. About 9% of all new breast cancer cases in the U.S. are diagnosed in **women younger than 45 years old.**” Like with any cancer, early detection is critical to long survival rates. According to the American Cancer Society, “Mammograms can often show abnormal areas in the breast. They can’t tell for sure if an abnormal area is cancer, but they can help health care providers decide if more testing (such as a breast biopsy) is needed.” Sometimes other additional tests like ultrasound and CT scans are indicated as well for questionable results.

We are fortunate in our area to have two organizations that support those with breast cancer who are underinsured or not insured at all. They support them emotionally and financially. On Sanibel and Captiva there is the Pink Project. Mary Bondurant is the founder of the San Cap Pink Project. They have different events that occur during the year to fundraise, as well as

events that support and promote help to the community. One of those events is the Pink Out Picnic: Health & Hope Expo which is happening on Thursday, October 23rd. St Michaels will have a table at this event. Thanks to those who are knitting pink mini shawls that we will have at our table. We will also have literature to tell people who and what we are. This event is open to the community but be sure and register for lunch.

Another organization that also supports those who are unable to financially meet the needs and challenges of breast cancer is Partners for Breast Cancer Care. Their Mission Statement states they are “dedicated to serving our community’s women and men who desperately need (our) help.” Partners “fund breast cancer screening, diagnostic testing and treatment for underserved women and men in Lee, Hendry, Glades, Collier and Charlotte Counties at no cost to them.”

If I can assist in finding services or connecting you to the right person/service please feel free to email me at nurse@saintmichaels-sanibel.org.

Appreciation for Our Junior Warden Jerry Davenport

On September 21, we hosted a special surprise recognition of **Jerry Davenport** at the Sunday coffee hour. Jerry serves in many ministries but as Junior Warden is an officer of the church that is in charge of the buildings and grounds, and we have certainly kept Jerry busy these past three years with all the storms! Jerry is on site daily walking the property, pulling weeds, checking on the drainage pumps, doing minor repairs and more. He led the Landscape Restoration Team in creating the beautiful grounds we now enjoy. We thank Jerry for his continued dedication to St. Michael's.

We are very blessed to have Senior Warden **Bill Larson**, Jerry as Junior Warden, and all the other members of the vestry who help guide our parish. Special thanks to **Joan Desilets** for coordinating the creative coffee hour which featured delicious foods from several of the places Jerry has been on mission trips. The treats ranged from North Carolina Mud Pies, stuffed clams representing the Bahamas, to a "dirt

cake!" , it was a fun morning! Thank you Jerry for all you do!

Thanks to **Sue & Chuck Sterrett** and **Anne-Marie Bouché** for their help as well.

You can watch the brief speech Fr. Bill gave at the event below.

Wednesday Eucharist Returns

Our Wednesday service of Holy Eucharist returns on October 15th at a **new time**. We will gather at 11:30 am in the Angel Chapel (the back of the church) for a simple service of Eucharist. All are welcome. The service lasts about 30 minutes.

Hopefully, this new time will make it easier with the traffic, and it will enable us to have an occasional "Brown Bag" lunch speaker at noon. Hope to see you!

Women of St. Michael's Salute the Men Sharing Our Journey with Love

The “Episcopal Church Women” (ECW) of Saint Michael's, comprised of all women at Saint Michael's (regardless of denomination), last month celebrated the 51st anniversary of Episcopal women's ordination to the priesthood. To my surprise and delight, I learned that our very own **Father Stan Dull** was a part of this.

When he was a seminarian, he told his bishop (The Right Reverend Ogilby) that he did not want to be ordained before women were. Stan's advisor told him, “If you persist with this, you will never be a bishop” (which proved true). Bishop

Ogilby did appoint Stan—a Deacon, not yet a priest--Co-chair of the Diocese of Pennsylvania's Committee to Plan for and Promote the Ordination of Women. As such, he was friends with Susan Haitt, a woman who became one of the famous Philadelphia Eleven. She asked him to make sure a proper bulletin for the service on July 29 was published and that was his behind-the-scenes role that day.

After the ordination, the Presiding Bishop called all the bishops to a confab in Chicago. Still Co-Chair of the Pennsylvania Committee, Stan went to Chicago as an “interested party,” not in with the bishops but in an outside room, listening. The bishops were trying to decide if the ordinations were valid. Stan remembers hearing one bishop say “Sometimes someone has to go too far so the rest of us will go far enough.” The bishops decided the ordinations were “Valid but irregular.” In view of that, Stan's Committee decided it would be best for him to actually be ordained to the priesthood (he had a call from a parish where he was a Deacon) and become the Priest-in-Charge and invite one of the newly-

ordained women to serve at a regular service. That did happen, in 1975, at the Church of the Ascension in Parkesburg, PA—a key milestone on the journey of women.

Thank you, Father Stan Dull! While we are applauding the guys, we also give a big shout out for the men of Noah's Ark. They lift the furniture, fix just about anything, unload the dock, keep up spirits, and help eat the cookies. Over the years, men of the Ark have done décor, books, hauling and housewares. There is a spot waiting for you. Come join the gang:

Joe Evans, Paul McCarthy, Chuck Sterrett, Andy McGowan, Mark Bolhuis and (not pictured) Jerry Davenport, Paul Marshall, John Stephens and Demo Scutakes.

The women of St. Michael's delight in providing hospitality, educational programs, and other events for church and community. We volunteer our time, have fun, and collectively donate substantial contributions to the community for good works. Proceeds from Noah's Ark—a ministry of the ECW established 60 years ago -- provide a key source of funding for good works. We are thrilled to have been part of a successful come-back of the Ark this year, made possible by the many women and men who are volunteering. We've been cooking up some new/old ideas for our luncheons beginning in November. You will definitely want to be part of it. Stay tuned for more information

Service Pathway..... Outreach to the World

Your St. Michael's Outreach Ministry continues to be very engaged in our community and world through the Spiritual Pathway of Outreach to the World.

In this issue of the Red Door each of you will have the opportunity to engage with "Angels on the Go". Although the Angels have been around for a while sharing much love, our survey to become engaged has been refreshed to become more relevant in current times. We hope you will take the opportunity to read the [Introductory Letter](#) and check out the [Survey](#) to see if there are areas where you might lend a hand. And please always remember, just because you check off an area, it doesn't obligate you to respond to our requests for help each time we ask. Also, we'll do our best to help you out in case something arises you can't quite accomplish by yourself.

We continue to help strengthen our island neighbors of Community Housing and Resources and F.I.S.H., both financially and by walking alongside, to help support housing, resources, education and care for island residents and workers. Those efforts continue as we cross the bridge to financially support and work with our partners at Misión Peniel, Pine Manor, All Souls Episcopal Church, Gladiolus Food Pantry and the Community Cooperative. And all those loving hours given in volunteering at Noah's Ark transfer to many dollars to support a great many non-profits with housing and food insecurity.

Outreach is also very engaged with Lee Interfaith for Empowerment (L.I.F.E.) in advocating for dignity, fairness, and better living conditions for all. Many of you are engaged with L.I.F.E. in working for social justice, and you are much appreciated.

Also, we are extending Christ's hands in working with our global partners worldwide. We keep contact with those who have been helped with disaster relief, most recently in North Carolina. In February we will travel to the Dominican Republic to assist our Diocesan

Companionship in the rebuilding of Santo Hombre de Jesus Episcopal Church.

As always you are very welcome to join us at monthly meetings and in our many adventures as we reach out to our community and world. Calling or texting **Jerry Davenport** or **Sue Sterrett**. We can get you into some great loving adventures. Thanks so much to all you Angels who share so much love in our world.

Bus service from Shell Point to be increased in November

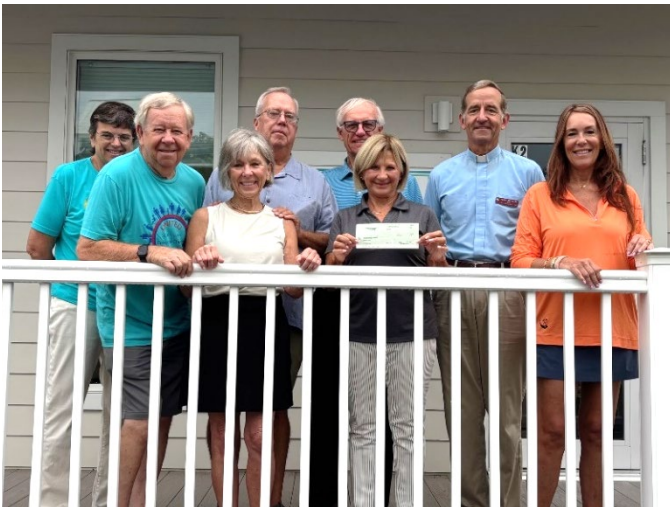

Due to the growing popularity of the St. Michael's bus transporting parishioners from Shell Point to Sunday services on Sanibel, we've recognized the need for more space and comfort. To better serve our Shell Point community, plans are underway to add an additional Shell Point bus so that more passengers can join us each week and be accommodated comfortably.

Details are still being finalized, so keep an eye out for updates in the Friday Brief and Sunday Bulletin. We're excited about what's ahead!

St. Michael's Supports Local Nonprofits with Sponsorships

St. Michael's has deepened its commitment to the island community by sponsoring two major local nonprofit initiatives this fall. The church recently contributed funds to Community Housing & Resources (CHR) of Sanibel as a sponsor of their Festival of Trees Benefit, and to FISH of Sanibel-Captiva as a sponsor of their popular Jog N Jam event.

CHR's Festival of Trees is a new fundraising event to help ensure affordable housing remains available to those who work and serve on Sanibel. St. Michael's \$1,500 sponsorship reflects its long-standing support of CHR's mission to preserve the island's character and strengthen community by providing homes to local families and workers.

(L to R): **Sue Van Oss**, Director of Communications, Community Engagement and Formation @ St. Michael's, **Jerry Davenport** Co-Chair of Outreach @ St. Michael's, **Wendy McGaha** St. Michael's Noah's Ark Thrift Shop Manager, **Chuck Sterrett** parishioner & CHR Board Member, **Bill Larson** parishioner & CHR Board Member, **Erika Steiner** CHR Board Vice President, **Rev. Bill Van Oss** Rector of St. Michael's, **Nicole Decker McHale**, CHR Executive Director

The church is also proud to support FISH as a Copper Sponsor through the Jog N Jam, a community-wide race and celebration that raises essential funds for food programs, emergency assistance, and services for seniors. FISH plays a critical role in caring for neighbors in need, aligning closely with St. Michael's mission of service and compassion.

(L To R): **Wendy McGaha** St. Michael's Noah's Ark Thrift Shop Manager, **Rev. Bill Van Oss** Rector of St. Michael's, **Jerry Davenport** Co-Chair of St. Michael's Outreach, **Sue Van Oss**, Director of Communications, Community Engagement and Formation @ St. Michael's, **Kim Baker** FISH Staff

"Our faith calls us to be active partners in caring for our neighbors and strengthening our island community," said Fr. Bill. "We are grateful for the vital work of CHR and FISH and are honored to walk alongside them in their efforts."

By sponsoring these important community events, St. Michael's continues its legacy of outreach and service—supporting organizations that make a meaningful difference in the lives of island residents.
