

FAITH IN ACTION

ROME AREA FCA

August 2026

This month we are honored to highlight Jennifer Scott, a dedicated FCA Board Member and passionate advocate for the next generation. Jennifer and her husband, Ryland, have been married for 24 years and are the proud parents of 22-year-old triplets—Kate, Ryland, and Parker. They also serve as foster parents, opening their home and hearts primarily to tweens and teens. Whether through her service with FCA or her family, Jennifer faithfully lives out God's call to love, encourage, and invest in young people.

Jennifer's faith journey began in an unchurched home, but everything changed during her high school years when caring adults and youth ministries introduced her to Christ and walked alongside her as she grew in her faith. Those relationships forever shaped the woman she is today and inspired her to become the kind of Christian mentor she once needed—someone who is encouraging, accepting, joyful, and deeply invested in the lives of students. Today, Jennifer continues that mission through her service on the FCA Board, her ministry to foster youth, and the countless ways she pours into the next generation. She finds continual encouragement in Romans 12:1–2, which reminds her that following Christ is lived out through everyday faithfulness. Jennifer hopes her life reflects the transforming power of a heart fully surrendered to God and inspires others to do the same.

FCA Summer in Review

This summer was truly transformative as students and coaches invested in leadership, training, and fellowship through FCA camps across the region. FCA was blessed to send five campers and one teacher from Model to Black Mountain Leadership Camp, eight athletes and one coach from Armuchee, and fourteen athletes and one coach from Pepperell to basketball camp at Emmanuel University. We also supported a golfer from Unity Christian School at Berry College's golf camp, hosted a team-building event for the Armuchee football team, and saw the Pepperell volleyball team attend FCA Camp in Columbia, South Carolina. Throughout each experience, God moved in powerful ways, strengthening faith, developing leaders, and laying a firm foundation for the 2026–2027 school year.
