

FAITH IN ACTION

ROME AREA FCA

February 2026

This year's FCA Rome Area Banquet, Overcome, will be a powerful night of faith, perseverance, and celebration as we come together to witness how God moves through both triumph and trial.

This inspiring, catered evening will feature three former professional and collegiate athletes who have faced life-changing obstacles, trusted God through uncertainty, and chosen to cling to Jesus while walking out their calling. Their stories are real, raw, and rooted in faith — and you won't want to miss hearing them in person.

We will also honor those making an impact right here in our community by recognizing: Coach of the Year, Male Athlete of the Year, Female Athlete of the Year, and giving out the Rick Walker Scholarship.

These awards celebrate individuals who are boldly living out their faith on and off the field and pointing others to Christ through their leadership and character.

The FCA Rome Area Banquet is more than a night of encouragement — it's an opportunity to invest in local ministry and help continue sharing the gospel with students and coaches across our schools.

Insider Access

January was a month of renewed focus and fresh momentum as students and coaches returned from break ready to grow, compete, and lead with purpose. Huddles across our schools picked back up with strong engagement, meaningful conversations, and encouragement rooted in God's Word. It was inspiring to see students step into the new year with faith, determination, and a desire to make an impact both in the classroom and on the field.

February is shaping up to be a powerful month of connection and encouragement. As winter sports continue and relationships deepen, we look forward to continued growth in our huddles and leadership opportunities for students and coaches alike. This month also gives us a chance to focus on love in action—showing Christ's love through kindness, service, and support for one another. We're excited to see how God will continue to move in hearts and lives throughout February.
