

FAITH IN ACTION

October 2026
Coming
Together for a
Greater Purpose

This October, FCA is bringing our community together through fellowship, fun, and faith! On October 3rd, the Harvest Pickleball Tournament will serve up a day of friendly competition with a purpose.

Every game played helps further FCA's local mission—supporting ministry on our campuses, equipping coaches and student leaders, and creating opportunities for young people throughout the Rome area to hear the Gospel and grow in their relationship with Christ. When our community comes together, the impact reaches far beyond the court!

Then on October 21st, we invite the entire Rome area to gather at Armuchee High School for Fields of Faith—a powerful night of worship, testimony, and unity. Students, families, coaches, churches, and community members are all invited to come together as one community and one body of believers to worship and boldly live out our faith. Whether you join us on the pickleball court or under the lights at Fields of Faith, October is an opportunity to put Faith in Action and invest in what God is doing in the next generation.
