

FAITH IN ACTION

September 2026

This month we are excited to highlight Saul Valerio, a senior at Coosa High School and a dedicated student-athlete.

Saul has played soccer for nearly 13 years through both club and school programs and has also spent three years playing football as a running back, kicker, and special teams player. No matter his role, Saul has always focused on doing whatever he can to help his teammates succeed and grow together. He is supported by his parents and his siblings, Jose and Andrea.

Saul's faith has taught him the power of trusting God, especially during moments of uncertainty. One late night, while wrestling with his thoughts, dreams, and plans for the future, Saul realized that the goals on his heart were possible—but that his greatest source of motivation and direction needed to come from his Heavenly Father. That moment strengthened his desire to live with faith and patience rather than fear or doubt. Now, Saul hopes to use social media to encourage others who may be struggling, reminding them to keep trusting God and believing that He is at work in their lives. Guided by Psalm 23:1, "The Lord is my shepherd; I lack nothing," Saul wants his life to be an example that with faith in God, we can move forward with confidence, purpose, and hope.

August was an exciting start to the 2026–2027 school year as students returned to campus and FCA huddles geared up across our schools. Building on a transformative summer, students and coaches entered the year with renewed energy, stronger leadership, and a desire to make an impact for Christ.

September brings fall sports, growing huddles, and new opportunities for students and coaches to boldly live out their faith. We're also gearing up for the FCA Harvest Pickleball Tournament on October 3rd! Sign up, spread the word, and join us for a day of fun and fellowship while supporting FCA's mission in our community.
