Complete Computing is a successful 44-year-old, Arkansas-owned and Managed, computer and networking solutions and services provider. Our consistent growth has created opportunities for additional experienced sales professionals.

As a part of our Sales Team, you will be selling leadership IT solutions to commercial, government, and education accounts. We have the expertise and resources to implement, support, and service the solutions we sell.

We provide a base salary and monthly sales incentives. We have a positive work environment with a team of self-motivated sales professionals.

If you are self-motivated and want a professional sales career you need to consider this opportunity. We offer a phased in recruiting bonus for the right candidates looking for a sales career and not just another sales position.

We also offer health and dental insurance, sick days, short- and long-term disability insurance, paid vacation, 401k and Profit Sharing.

Our Sales Team is based in our office in downtown Little Rock.

You would be joining an experienced team of IT professionals with the opportunity to be part of the dynamic and growing Information Technology industry.

Please provide your 2025 and projected current-year compensation history in the email you send me with your resume. Also provide a personal email.
