

Thermapen® ONE

-50 to 300 °C

SUPER FAST READINGS With full readings in ONE second or less, Thermapen ONE approaches the speed of thought - allowing you to focus exclusively on the quality of your work. Achieve such speed and accuracy without sacrificing durability and usability.

- Industry leading accuracy ($\pm 0.2^{\circ}\text{C}$ from -20°C to 100°C), $\pm 0.1^{\circ}\text{C}$ measurement uncertainty achieved with optional IANZ endorsed calibration certificate.
- Motion-Sensing Sleep and Wake Mode: intuitively turns on and off—or when picked up or in use and off when set down to save battery
- Patented 360° auto-rotating display uses accelerometer technology to intuitively turn right-side up
- Shockproof, dustproof, and waterproof with an IP67 rating for water-tight seals
- Foldaway design protects probe when not in use
- Polygiene Biomaster Antimicrobial Silver Ion Technology reduces microbial growth
- Hand washable
- Display temperatures in °F or °C, 1° or 0.1° resolution

\$195.00+GST (Please enquire for IANZ endorsed calibration certificate available cost)
