PCC – August match canceled. September 6th match, set up at 8:30AM and match starts at 9:00AM.

22 Fun Shoot – 3 participants at the last match. Still maintaining 1st and 3rd Monday evening practices unless excessive temperatures warrant cancellation.

Hunters Education – The next class is October 1st.

SEPTEMBER DATES:

First coffee of the month on 10th.

Club meeting is on the 14th.

Second coffee of the month will be on the 24th.

Come on out for coffee and donuts on the 2nd and 4th Thursday mornings of the month. You can count on someone bringing at least one very interesting firearm to be gazed upon. Also good stories and conversations are to found around the table.

Then after you've had your coffee and sweets it should still be cool enough to take advantage of the fact that you are already at the range so go shoot something. This makes for an enjoyable start to your day!

The second Monday evening of each month is the monthly club meeting (except December, no meeting). Club meetings are always interesting, some more so than others. Come out and be involved in what is happening in your club.

ALWAYS GOOD REMINDERS

1. PICK UP YOUR BRASS
2. MAKE SURE YOU PULL YOUR TARGETS
3. PUT YOUR TRASH WHERE IT BELONGS
4. LEAVE THE AREA BETTER THAN YOU FOUND IT.
5. SPEED LIMIT ON THE RANGE IS 10 MPH
6. IF YOU BREAK SOMETHING – FIX IT! IF YOU CAN'T FIX IT TELL DENNIS.

Off the range, but a good reminder nonetheless: DO NOT PET THE BISON IN YELLOWSTONE.

The 4-H Match for the Reno County Fair, held in the club house resulted in the following:

BB-Gun – Brendan Clark 1st – 374-17, Eli Showalter 2nd – 369-7, and Christopher Zongker 3rd – 339-12 with Addison Showalter a very close 4th -339-7

Air Rifle – Brendan Clark 1st – 530-16, Ellis Martens 2nd – 518-14, and Eli Showalter 3rd – 482-4

The Reno County 4-H Shotgun (Trap & Skeet) Match was held August 1st. We had 30 trap shooters from 9 different counties and 19 skeet shooters from 7 different counties. A few random pictures as our photographer was missing at the match 🙄 We had four youth from Reno County participating but none were able to place in the medals. Top score in trap was 93 & skeet was 82 both out of 100.

The Reno County 4-H Smallbore Match was held August 15th on the Plinking Range. We had 6 pistol shooters from 5 different counties and 16 rifle shooters from 7 different counties.
