

CENTRAL KANSAS GUN CLUB OF RENO COUNTY INC.

JULY 2026

WHAT ARE YOU LOOKING FOR?

Is there something you're wanting to add to your collection? Maybe you need an item to finish a project, or a hard to find supply item that you need.

Well maybe there is someone among the membership that has one too many or maybe one they don't even use.

Instead of what do you want to sell, I thought a list of what you want to buy might be worth a shot. (Pun intended).

Just email your information to the secretary's email address to be included in the next newsletter and we can see what happens. **Do Not send anything about left-handed monkey wrenches, I know monkeys are right-handed.**

PROSPECTIVE MEMBERS:

When prospects say: "How can I be a member, I don't know anyone in the club?" They are advised that all the events listed on the calendar are open to the public, find something that interests you and join in. Here comes your part; **BE FRIENDLY!** If you see someone new, introduce yourself and make them feel welcome. Find the range officer and give them an introduction to the newbie.

And if anyone asks, WE DO NOT HAVE A WAITING LIST.

We have 338 members and the average age is just under 60 years old. The youngest member is 23 and the oldest member is 95. There are only 122 members below the age of 55. We have an excellent board of directors; their average age is 73.

I am not complaining about anything, I'm just saying that the membership is getting a little long in the tooth and maybe some new younger members filling the ranks would be a step in the right direction to keep the good thing that we have going.

FIREARMS RANGE

**SHOOTING SHOULD BE AN INCLUSIVE SPORT – SEND THE
GUY WITH THE WHITE STICK OVER TO THE SHOTGUN
RANGE.**

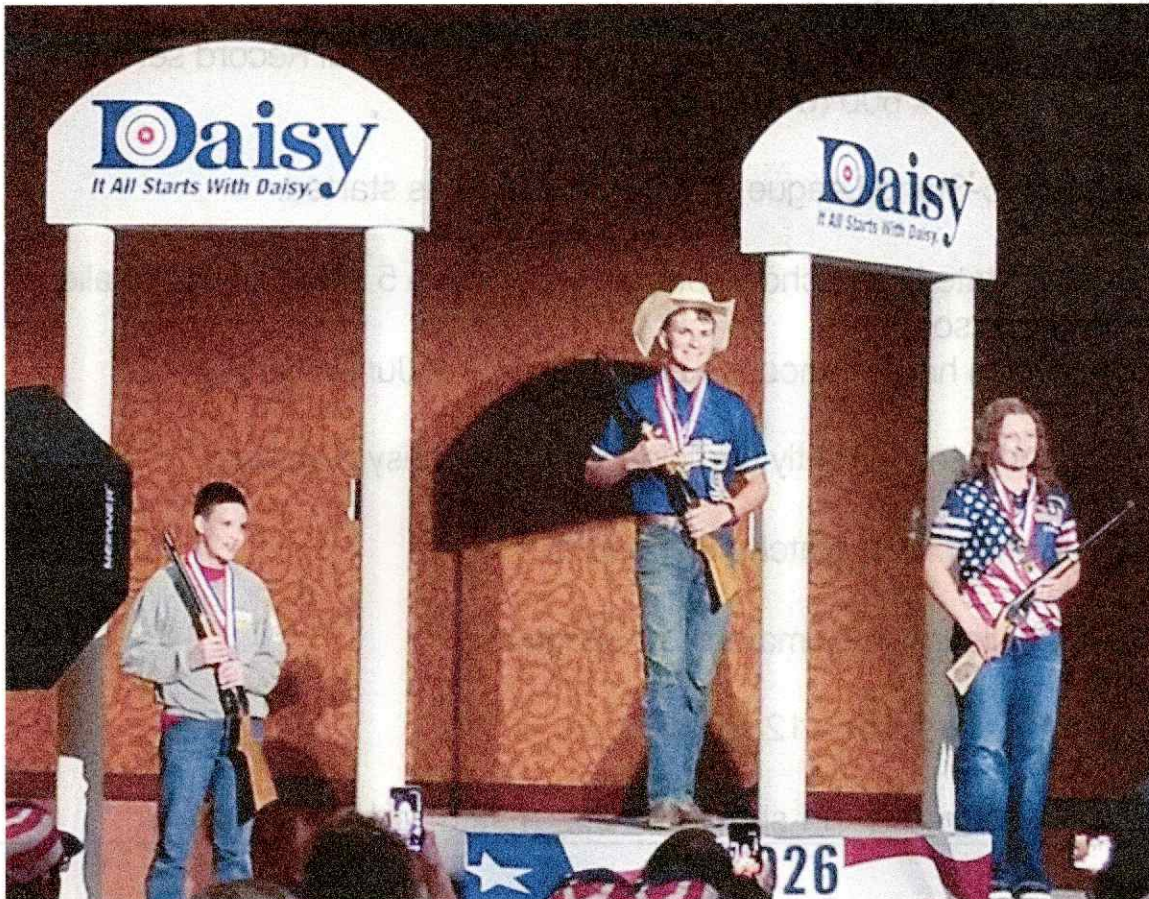

AUGUST DATES OF INTEREST

AUGUST 10TH IS CLUB MEETING – 6:30PM

AUGUST 13TH COFFEE - 8:30AM

AUGUST 27TH COFFEE - 8:30AM

Any and all opinions expressed in the CKGC newsletter are the sole opinions of the Secretary who is directly responsible for all content.

Brendan Clark, Eli Showalter and Addison Showalter participated in the Champions matches at Daisy Nationals. Addison Showalter shot a new "Personal Best" in BB gun. The boys, in BB had decent rounds but not in the medals. Brendan was 14th in BB with no position awards.

Air rifle – Both Eli and Brendan shot the Air Rifle match. Brendan Clark ended up 15th with a 520 but medaled third in kneeling.

PROGRAM REPORTS:

Action Pistol: Last match - 4 shooters

High-Power: Last match - 10 shooters. New National Record set for High-Power 3 x 600 (600 – 38x)

Shotgun: 5-Stand League with 24 shooters has started.
