

CENTRAL KANSAS GUN CLUB OF RENO COUNTY INC.

June 2026

CLUB HAPPENINGS:

The June club meeting occurred 2 days after Jerry Maxfield's, our safety officer, 85TH birthday! Jerry turned 3 on D-Day, but there is no truth to the rumor that Ike ask him if it was OK to start Operation Overlord on his birthday.

Jerry does a marvelous job as safety officer and has a great knowledge of firearms old and new.

(a smart photographer would have removed the cover from the cake!)

PROGRAM REPORT

Action Pistol, PCC, USPSA - no report

High-Power:

High-Power match attendance is starting to rival some of the larger clubs in our area (Tulsa, Oklahoma City) to the point where we're having to run two relays because we don't have enough electronic targets to accommodate the numbers. Not a bad problem to have, all things considered, but we're probably going to have to buy more Shotmarker systems before too long. Matches on 6/13, 7/4, and 7/11. See the official HP calendar on the website

.

22 fun Shoot: Practice on 1st and 3rd Monday evenings 6-8. 8 attendees at last match.

Shotgun: High School trap is winding down, state tourneys held in the coming weeks. Shotgun to be doing 5 stand the next 4 Thursday nights. A full roster of 20 prepaid participants have signed up.

4H: Starting smallbore and shotgun this month. We have three shooters practicing twice a week in preparation for Daisy Nationals July 10-14 they will participate in the Champions BB gun match and NRA air rifle Match.

[JOHN LINLEY MEEKER: Club member John Meeker passed away on June 12TH. John was 82 years old and had been a club member for many years. Jerry tells me that he was a black-powder enthusiast. The club has made a donation to the Wounded Warriors Project in John's name.](#)
