Matches are on the calendar, the range is starting to get busy.

WRITER'S BLOCK

Action Pistol: Chairman Greg Dick reported there were seven participants at the March 8TH match including some first timers. The next match is April 12TH.

High-Power: The first match of the season is the annual "April 1st" match to be held on Saturday April 4TH. Dirt work at the plinking range is temporarily at a halt.

Shotgun: Tuesday and Thursday Skeet will start now that daylight savings time upon us. No additional glow shoots were held since the February meeting. Travis made a motion that the club purchase clay targets by the semi load (23 pallets). Another local club wants to purchase eight pallets leaving fifteen pallets for CKGC use. Out of the fifteen pallets the NHS trap team will purchase four pallets for the club, leaving the club to cover cost of the remaining eleven pallets. Purchasing by the truckload saves the club about \$200.00 per pallet. Jerry Maxfield seconded Travis' motion. Motion carried.

22 Fun Shoot: Fun shoot schedule is still the first and third Monday evenings each month. The first 22 Precision shoot match is on April 12TH.

4H: This group is busy with matches every weekend through May. A full discourse of their activities can be found here when they slow down enough to get it put together.
