Soar - 187 Kush - 7g Flower

Look out for 187 Kush, a killer combo of the notorious Godfather OG x Killa Kush. Soar's most potent cultivar yet, this powerhouse indica boasts a potency range of 28-34% THC. Beyond its powerful potency, its highly expressive aromatics hit just as hard with notes of pulverized blueberries, sugary jam, sweet vanilla cake, and a hint of kushy spice from dominant terpenes myrcene, humulene and caryophyllene. Its tight, dark green buds are long and triangular in structure, layered with bright sparkling trichomes from end to end, with purple flecks on the tips. Soar is selective and disciplined in processes. Grown in smaller batches and carefully sorted to ensure only our best buds make it through. Hand-harvested, hand-dried and hand-detailed with a humidity pack in every bag.
