Day 2

The FlatOut Dogs Dual Event

The diagram illustrates a track layout for a dog racing event. The track begins at point 1 (S) and proceeds through a series of turns and obstacles. Key features include:

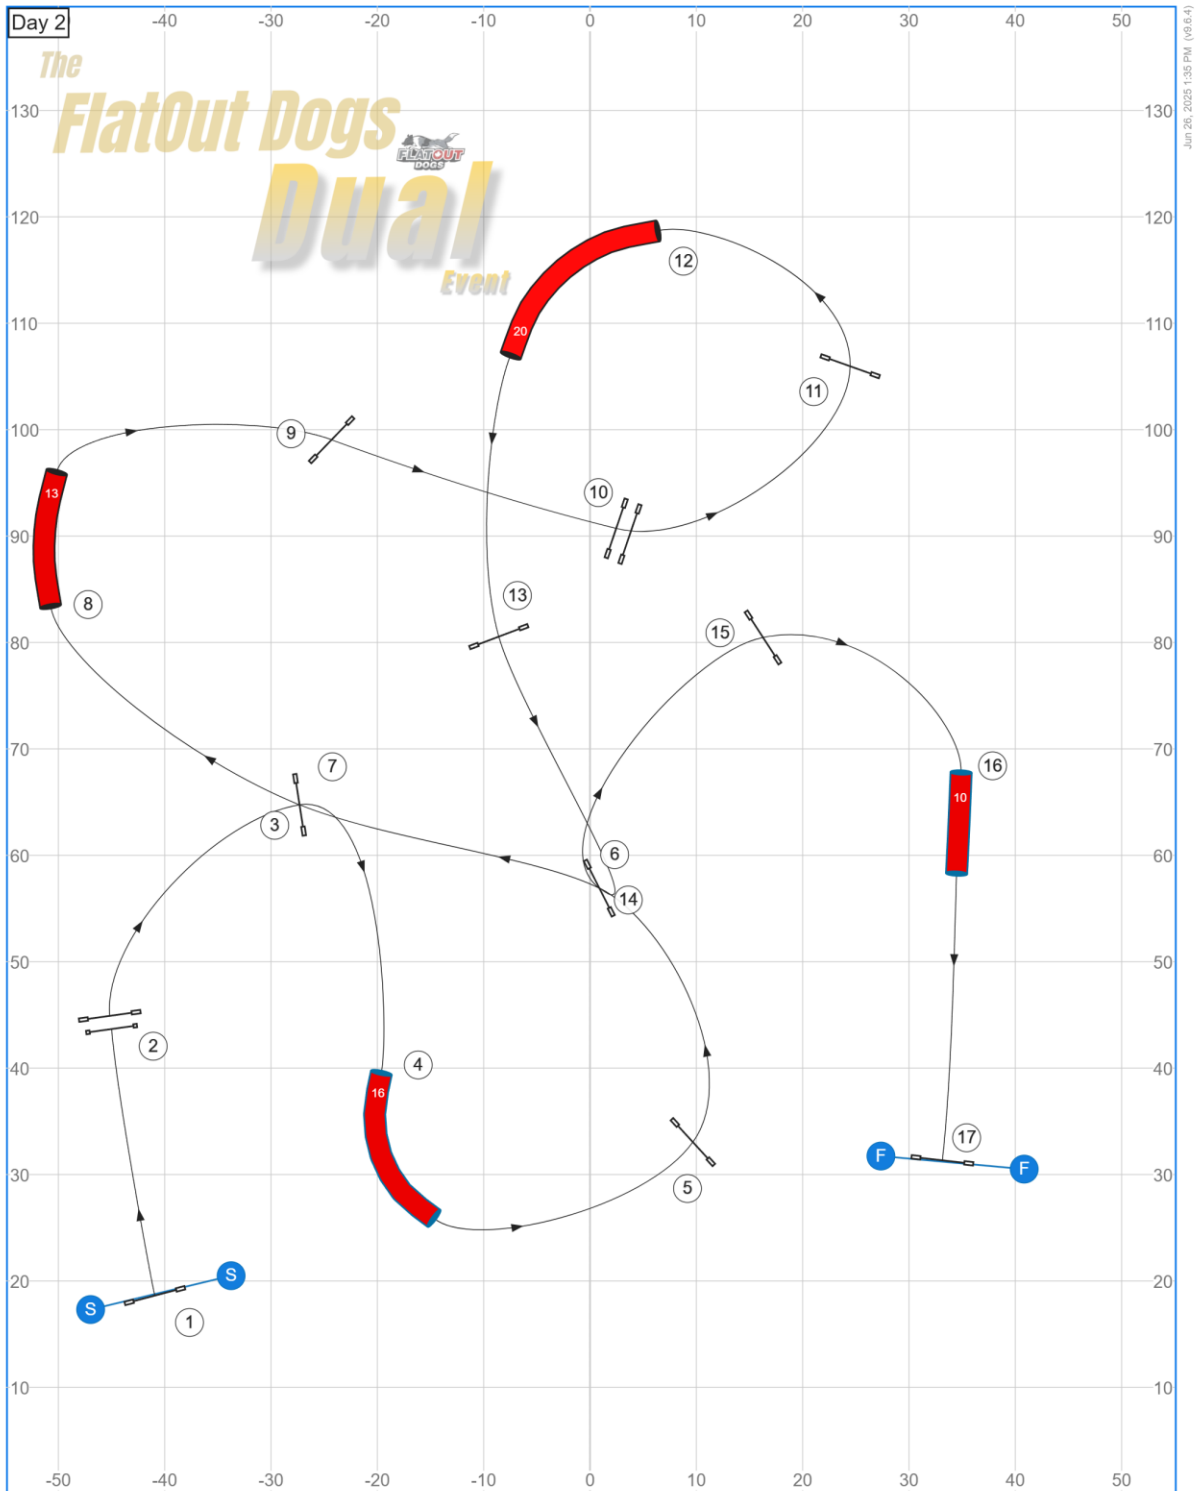

- Start/End Points:** Point 1 (S) at approximately (-45, 18) and Point 18 (F) at approximately (40, 30).
- Obstacles:** Various gates and barriers are placed along the track, including a double gate at point 2, a single gate at point 3, and several other single gates at points 6, 7, 8, 10, 11, 12, 13, 15, and 16.
- Red Segments:** Four red curved segments are highlighted, labeled 13, 20, 16, and 10.
- Track Path:** The path is defined by numbered points 1 through 18, connected by curved lines indicating the direction of travel.
