Re: Equipment at Garth Kimbrel Memorial Park

To Whom it may Concern:

The Town of Trinity is requesting a determination of obsolescence for playground equipment situated at Garth Kimbrel Memorial Park located at the corner of North Seneca Drive and North Greenway Drive. The items and reasons we are requesting the determination of obsolescence are as follows:

-Merry Go Round – metal is rusted, insurance has requested removal

-Slide – Insurance has requested removal

-Swing sets – Metal is rusted

The grants used to furnish this park were 01-00061 (1970) & 01-00405 (1975). The equipment has been enjoyed by our community for decades but is very outdated and becoming unsafe. We are now looking to replace this equipment and update the park for our residents. We would like to provide them with an up to date safe playground here in our town limits.

I sincerely appreciate your time and consideration in this determination.

Respectfully,

Mayor Vaughn Goodwin
