Brown's Ferry Nuclear Plant Radiological Emergency Planning and Response Agreement

Trinity Police Department (TPD)

The Browns Ferry Nuclear Plant (BFNP) owned and operated by the Tennessee Valley Authority (TVA) is located in Limestone County, Alabama. The possibility exists that an incident could occur at the BFNP which may constitute a health hazard for the local populace, through a release of radioactive materials into the environment. This type of event presents unique response initiatives to successfully protect our community. The following establishes the response partnership necessary during a radiological incident at the BFNP.

In the event of a radiological incident **Trinity Police Department (TPD)** will assist the **Morgan County Emergency Management Agency (MCEMA)** with meeting criteria set forth in *NUREG-0654/FEMA-REP-1*, and outlined in the *Program Manual, Radiological Emergency Preparedness, FEMA P-1028* and defined in the *Morgan County Radiological Emergency Preparedness Plan (REPP)*. The tasks listed below ensure the health and safety of the affected populace within Morgan County.

I. **Protective Response** *(Program Manual, Radiological Emergency Preparedness, FEMA P-1028, Criterion: Part II-A.3, A.5, J.11)*

   A. TPD will assist in evacuation procedures.

II. **Reasonable Assurance** *(Program Manual, Radiological Emergency Preparedness, FEMA P-1028, Criterion: Part II-J.6, J.7, J.11, N.2, N.3, Part III-5.4)*

   A. TPD will provide means of controlling the flow of traffic by
      1. Assisting with establishment and maintenance of traffic control points.
      2. Assist in identifying alternate routes.
   B. MCEMA will provide:
      1. The date(s), time, place(s) of training, drills, and exercises
      2. The event type to be simulated; Plume, Ingestion Pathway, Hostile Action, or No-Release
      3. Criteria objectives FEMA will be evaluating.
   C. TPD will assist MCEMA with assessing results, identifying gaps, and setting priorities.

III. **Emergency Notifications and Mobilization** *(Program Manual, Radiological Emergency Preparedness, FEMA P-1028, Criterion: Part II – A.4, E.1, F.1, P.10)*

A. TPD will provide MCEMA with personnel to be alerted.
   1. Primary and secondary contact number,
   2. Other or preferred methods of communication ,
   3. Notify any changes in personnel as they occur.

On an annual basis, parties will evaluate this agreement to address revisions or develop new goals, as appropriate.
