SPONSORSHIP GUIDE

ABOUT THE DFCS

The Distinguished Flying Cross Society (DFCS) is a **nonprofit organization** dedicated to honoring and preserving the legacy of service members who have received the Distinguished Flying Cross (DFC). Through community outreach, historical preservation, and educational initiatives, we celebrate their achievements while inspiring future generations to uphold the values of courage and service.

Our Legacy derives from service members who have **demonstrated their heroism** and extraordinary achievements in difficult situations in aerial flight. Their stories have emphasized what can be accomplished by **ordinary people doing extraordinary things**.
