### Re: 2026 Attorney General Questionnaire

Dear Candidates:

Please find attached a non-policy questionnaire regarding your qualifications to serve as the next Attorney General for Colorado.

The questionnaire is pre-filled based on my research into your background and experience using public sources. It purposely excludes policy positions or issues that may arise during the upcoming Democratic Primary or General Election. While we strive for accuracy, public records can be incomplete or erroneous. We believe it is vital for voters to have a verified, factual baseline regarding the candidates for this office.

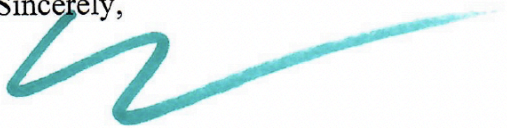

Please review the attached document, sign to confirm its accuracy, and return it to me by noon on December 8, 2025. You are encouraged to correct any errors or supplement the information as you deem necessary; please provide supporting documentation for any significant changes. Our

goal is correctness and transparency.<sup>1</sup> Please be advised that if I do not receive a response by the deadline, I will proceed on the assumption that the research contained herein is accurate.

By way of background, No More Nincompoops is a registered Colorado IEC directed by me—an unaffiliated voter, lawyer, and interested citizen. The IEC’s purpose is to engage in lawful election-related communications, and for the 2026 cycle, we are focusing exclusively on the race for Colorado Attorney General.

We look forward to your response.

Sincerely,

David Blake  
Director
