

School Year _____

The Office of Catholic Education requires that at the start of each school year school families read and familiarize themselves with the school handbook. The school must have on file written confirmation that a family has read and reviewed the handbook. The Mary School's handbook can be found on our website at www.stmaryschoolwooster.com. If you don't have internet access and would like a printed copy of the handbook, please contact the school office.

Please sign and date the confirmation below and return it to school.
