

## 45 x 48 Bulk Bin Lid

DuraGreen DGM4548-L lids are made to use with DuraGreen bulk bins. They are used extensively by the food processing industry for their superior durability, splinter resistant plastic, non-porous surfaces, lightweight construction, and rounded corners. Made from FDA-approved premium, injection-molded plastic and certified safe for use with food products. Stackable, easy to clean, and are 100% recyclable. White color.

Part #: DGM4548-L
