

45 x 48 x 21 Fixed Wall Bulk Container

The DuraGreen 45" x 48" x 21" fixed wall containers are medium-duty material handling containers engineered with fixed walls. The DuraGreen 45" x 48" x 21" fixed wall is innovatively designed with a flat deck that provides a more. The DuraGreen 45" x 48" x 21" fixed wall bulk container provides stability with the periphery design of the containers runners, eliminating the need for a center foot. Made from high-density polyethylene, these 1,300 lbs. capacity fixed wall bulk containers come equipped with a solid base and four drainage holes. The 48" x 45" footprint and 21" height container is built for stacking ease and maximization of truck volume. With a pallet jack and 4-way forklift access for secure and efficient handling.

Part # DGA454821-FW

Special Features

Corner Drain Holes

Drain holes strategically placed in the interior corners of this solid bottom container keep liquids from pooling.

Solid Floor

A solid floor bottom ensures small parts will not be lost and provides a smooth and even load surface.

Fixed Sidewalls

High Strength fixed sidewalls make this container ideal for heavy loads and flowable powder storage.
