45 x 48 x 34 Collapsible Bulk Container

The 45 x 48 x 34 collapsible bulk container, made from high-density polyethylene, with a 2,000 lb.-capacity, is built to provide years of reliable service under tough conditions. The multi-use bulk bin is stackable, easy to assemble and knock down, and is 100% recyclable. Two side drop doors allow for easy access to contents. A pallet-style base provides 4-way forklift and pallet jack access for safe, efficient handling. A 3:1 nesting ratio maximizes storage space and cuts return shipping costs. Open grid bottom. Optional solid bottom pad. Black color. Optional lid.

Part #: DGR454834-2

Special Features

Spring Loaded Latches

Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and collapsing sidewalls.

Interlocking Walls

Interlocking sidewalls at the corner of the container ensure high load capacity and stability.

Open Grid Floor

The open grid floor on this container provides exceptional strength while lowering shipping weight and conforming to facility fire codes.

Product Specifications

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
