## 45 x 48 x 42 Collapsible Bulk Container

This 45 x 48 x 42 collapsible bulk container is a premium product that promotes environmental sustainability. This bulk container offers superior quality and value and is also in stock and readily available for immediate shipment. Made from high-density polyethylene, this 1,700 lb.-capacity, heavy-duty container is built to provide years of service under the toughest conditions. This 45 x 48 footprint, 42 height container is stackable, easy to assemble and knock down, 100% recyclable, and saves on storage and transportation costs. It has pallet jack and 4-way forklift access for secure and efficient handling. Drop gates on the 48 sides allow for easy access to contents. This collapsible bulk container is ideal for storing and handling a variety of component parts, industrial materials, and commercial supplies. Open grid bottom. Optional solid bottom pad. Black color. Optional lid.

Part #: DGR454842-2

### Special Features

#### Spring Loaded Latches

Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and collapsing sidewalls.

#### Interlocking Walls

Interlocking sidewalls at the corner of the container ensure high load capacity and stability.

#### Open Grid Floor

Open grid floor provides exceptional strength while lowering shipping weight and conforming to manufacturing facility fire codes.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
