

Bulk Container Express

# 90 x 48 x 34 Collapsible Bulk Container

The 90 x 48 x 34 medium-duty extended-length collapsible bulk container is a state-of-the-art material handling containers engineered for long life under tough conditions and repeated use. This bulk container offers superior quality and value. Made from high-density polyethylene, the 1,000 lb.-capacity, medium-duty container is built to provide years of service under the toughest conditions. The 90 x 48 x 34 height container is stackable, easy to assemble and knock down, 100% recyclable, and reduces on storage and transportation costs. It has pallet jack and 4-way forklift access for secure and efficient handling. Drop gates on the 48 sides allow for easy access to contents. This collapsible bulk container is ideal for storing and handling a variety of large component parts, industrial materials, and commercial supplies. Black color. Optional lid.

Part #: DGC904834-2

## Special Features

### Interlocking Walls

Interlocking sidewalls at the corner of the container ensure high load capacity and stability.

### Interlocking Walls

Interlocking sidewalls at the corner of the container ensure high load capacity and stability.

### Solid Floor

A solid floor bottom ensures small parts will not be lost and provides a smooth and even load surface.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
