DuraGreen 45" x 48" x 12" fixed-wall bulk containers are sturdy material-handling containers engineered for long life under the most demanding conditions and repeated use. Made from high-density polyethylene, these heavy-duty containers are built to provide years of service under the harshest conditions. The 45" x 48" x 12" fixed wall container is stackable, 100% recyclable, and save on storage and transportation costs. They have pallet jack and 4-way forklift access for secure and efficient handling. These fixed-wall bulk containers are ideal for storing and handling various component parts, industrial materials, and commercial supplies.
