Our Approach

An excellent reason for choosing IBS is our proven reputation and excellent reviews from our customers, with over 80% of our business being repeat customers or referrals. We know how we look after our customer network and

community matters!

We prioritise quality and durability with all our products. We make sure we source the best quality for our market here in NZ, while also catering an extensive range of customised options in our selections. As an IBS customer, you can expect only the best service.
