***Men's Weekend Retreat – November 6 – 8th
Holy Family Retreat Center – West Hartford, CT***

All men of all ages are invited to a weekend of prayer and fraternity in early November. This year's theme, With One Heart, will explore how our Christian faith calls us to resist division and to live as one in love of God.

The biblical image of being “of one heart” expresses a deep sense of harmony, shared purpose, and mutual belonging. It points to a way of life in which we move beyond our differences and seek the common good as members of one community. Focusing on what unites us opens doors for relationship-building, deep listening, and understanding – the very mandate Jesus gave us to “love one another.” Through prayer, reflection and dialogue, our retreat this season will guide us to live more fully With One Heart, uniting us to God and one another.
