

# Infant February 2026

**\*Parents~ with your child please decorate one Valentine together; they should bring it to share with the whole class. Please bring in their Valentine by Feb. 9th.**

## How to really love a child

Be there. Say yes as often as you can. Let them bang on pots and pans. If they're crabby, put them in water. Read books out loud with joy. Go find elephants and kiss them. Encourage silly. Giggle a lot. Remember how really small they are. Search out the positive. Keep the gleam in your eye. Go see a movie in your pajamas. Teach feelings. Realize how important it is to be a child. Plan to build a rocket ship. Stop yelling. Invent pleasures together. Surprise them. Express your love A LOT. Children are MIRACULOUS.
