**Advent is a time of celebrating God's presence.** Although we cannot see him or touch him, as we can with sense-perceptible things, he really is here, and comes to visit us in many ways.

Jesus invites us to stop and be silent, to take in His presence. If we steep ourselves in this reality during Advent, we shall feel encouraged to talk confidently to him in our prayer and during the day; we will put before him the sufferings that make us sad, the impatience and questions that arise in our hearts. This is the right time to strengthen our conviction that he is always listening to us.

By being watchful and attentive for loving details from our heavenly Father, our heart will pour out acts of thanksgiving. The grateful memory of the good things God has done for us helps us also in dark times of difficulties, problems, sickness, and suffering.

Advent invites us to become aware of our watching and waiting for the Lord. *It is full time now for you to wake from sleep. Watch at all times. What I say to you I say to all: watch.* These calls from Sacred Scripture in the readings for the first Sunday of Advent remind us of the constant coming, the *adventus*, of our Lord. Not yesterday, not tomorrow, but today. God is not just in heaven, uninterested in us and our history. He really is the God who is coming.

Advent is a time of presence and of waiting for what is eternal; and a time of joy, an intimate joy that nothing can take away. The joy of the time of waiting is a deeply Christian attitude that we can see in our blessed Lady: Mary teaches us to wait with a peaceful heart for the coming of our Lord, while we also prepare interiorly for that meeting, joyfully trying "to build a crib for our God in our hearts."

SUNDAY, DECEMBER 1<sup>ST</sup>

Hello my dear Parish Family!

It has been a little time since I shared with you our appreciation and gratitude for all that you do - your thoughts, your words, and your actions. We, your staff, depend upon you...you keep us in your prayers, you speak wonderful words about the things that we do, (and lovingly tell us what we have failed to do), and you bless us with wonderful gifts at so many different times of the year. You give of your time, talent, and treasure. All of which is talked about in this issue of the newsletter. Thank you for all that you do! Thank you for all that you share in your personal giftedness! Thank you for your generous giving to the many collections...the Christ's Light, ACA, 2nd Collection for the renovations, flowers, 2nd collections for the Diocesan missions, not to mention our regular Sunday collection. Bless you for reaching down into your pockets - always!

Here we are again - beginning a new church year. We are awaiting. Anticipating. A young girl said yes to an Angel who appeared to her. Do we have the same kind of faith that could say... "Be it done to me according to your will"? Isn't that the question that Advent presents to us? We walk through these next four weeks listening to the readings, listening to the music, and hearing the movement on the journey to Bethlehem. Pay close attention to Mother Mary, to her beloved spouse St. Joseph as they travel. The smells, the feeling in the air, the response of the people...what do you see, hear, and feel? There's no room in the inn for them. Where would you go? What would you do? And then the Baby comes. Then the shepherds come, animals bow down, people gather...where are you standing? Are you close? Can you smell the new baby smell? Is your heart full? You are standing at the side of the crib of the Redeemer of the World!

I still ask all my questions...those things have never changed...and pray God...will not. Christmas blessings to you and yours.

Love and Prayers,  
Kathie McBride

## Praying for Priests Ministry

### Parish Cenacles

Every parish is invited to create prayer groups (called Vianney Cenacles).

Cenacles can run in two different formats:

A Eucharistic Holy Hour or a Group that includes prayer, study, and discussion.

## From the Heart of Deacon John Murray, Jr.

During our 40 Hour Devotion Deacon Jose Zamora and Deacon Jim Tokarsky spoke about the National Eucharistic Revival Year of Mission. Then I spoke of what that means for our Parish Family. Year of Going Out on Mission continues through Pentecost Sunday 2025. Having enkindled a missionary fire in the hearts of the American faithful, the Holy Spirit calls us out on mission to share the gift of our Eucharistic Lord as we enter the universal Church's Jubilee Year 2025, themed "Pilgrims of Hope." Every parish is invited to reinvigorate worship, create moments of personal encounter, engage in robust formation, and send Catholics forth as missionaries. A good way is by using the Walk with One.

**What is a Eucharistic Missionary?** (Good question Campers!) **A Eucharistic Missionary is any Catholic who—inspired by an encounter with Christ in the Eucharist and fueled by the Bread of Life - allows God to use them as an instrument of his grace “for the life of the world.”** These missionaries embrace their deepest identity as a member of the Body of Christ and commit to living a Eucharistic life with a heart for those who are most in need, those who are lost, and those who are The “least.” They follow the promptings of the Holy Spirit to spread the Gospel by word and deed. Remember, you aren’t doing this alone. The whole Church is walking on mission together, and we are here to support you with resources, inspiration, and encouragement as you embark on this exciting journey.

We are Embracing Our **Apostolic Roots**. Jesus in the Eucharist is the answer to every restless longing of the human heart. If we truly believe this, then that living faith will compel us to share this joy with our brothers and sisters! The Holy Spirit has enkindled a missionary fire in the heart of our nation, and now He is sending out every member of the Church to spread the Good News - sharing the gift of our Eucharistic Lord with those on the peripheries. And **YOU** are invited to be a part of it! During the mission year, Catholics are called to eucharistic encounter, have eucharistic identity, life, and go out on eucharistic mission. These are known as the four pillars (invitations) of mission.

- **Eucharistic Encounter** - In order to lead people to a relationship with Jesus in the Eucharist, we have to maintain an active relationship with him ourselves. Deepening that personal relationship through prayer, adoration and the sacraments. Regular, profound encounters with Jesus strengthen us to be a more authentic and powerful witness to his love.
- **Eucharistic Identity** - To truly live out our mission as Catholics, we must first embrace our identity as beloved children of the Father, shaped by our relationship with Christ in the Eucharist. There is an importance of internalizing and living out the teachings and love of Jesus, allowing our Eucharistic encounters to define who we are. Through these encounters, our hearts and minds are transformed, guiding us to reflect Christ's love in every aspect of our lives.
- **Eucharistic Life** - We are encouraged to integrate our love for Christ into every aspect of our lives, transforming daily actions into continuous acts of worship and service. As we love Christ more, our lives become configured to his, reflecting his sacrificial love. When we live a Eucharistic life, we join in Christ's self-offering, allowing his love to flow through us to others.
- **Eucharistic Mission** - This Mission is a call to evangelize, boldly spreading the Good News of Christ's Eucharistic love and mercy in word and deed. As our love for Christ deepens, our lives will become increasingly configured to his mission, compelling us to serve others with his heart. We will be drawn to compassionate service, living out our call to be his hands and feet to our neighbors and bringing his presence to the margins.

May God Bless Us Everyone,  
*Deacon John Murray, Jr.*

Just follow the instructions beginning at St. Mary's parish web site.

## What are our social concerns? Are there teaching of the Church concerning social concerns? Is there something that I can do?

**T**hese are all good questions - especially today. The teachings of the Church today regarding social concerns call us to be Disciples of Christ to all those in both the world as well as our community. Our Social Concerns Committee here at St. Mary's tries to embrace the major themes of our Catholic Church's Social Concerns teachings:

- ◆ Life is Sacred and the Dignity of the Human person is to be respected.
- ◆ All people are to be afforded human rights and challenged to live up to human responsibilities.
- ◆ We are called to emulate God by showing a special preference for those who are poor and weak.
- ◆ Work to continue God's plan for the earth; work is dignified when worker's rights are protected; economy serves the needs of all people.
- ◆ We belong to a global family and are challenged to promote peace and solidarity.
- ◆ We share one planet; we are stewards of God's garden, the earth.

The Church calls us to respond to people's present needs such as hunger, and homelessness. We are called to change systems that perpetuate injustice through advocacy, community organizing and social change organizations.

Through our Social Concerns Committee, here at the Parish of St. Mary, you are accomplishing these teaching. How, may you ask? Here are some things we do and you can do with us...

**"Feed My Flock,"** a walk for hunger in Vermilion is held in April. Canned goods are collected before the walk. The purpose of the walk itself is to make people aware of the hunger that exists right around us.

**Regular blood drives** are organized to provide much needed blood. Are you able and willing to donate?

**Grace's Kitchen** prepares meals for the hungry. We do this in cooperation with several of other local churches. Can you donate food items or perhaps your time?

**Garden of Grace** was established to help provide produce to Grace's Kitchen and others who are in need. Do you enjoy gardening? Extra hands are always welcome. There are so many activities here.

**Turkey envelope collection** prior to Thanksgiving helps provide a meal for families where perhaps there would be none. What are you thankful for?

**The Special Needs Account** was established to help assist those in need with their utility or pharmacy bills.

All these and many more not mentioned are projects that our social concerns ministry is involved.

This season you will, once again, be presented with opportunities through the "Giving Tree" to be a Disciple of Christ. Each envelope hanging on the tree will have a picture which corresponds to a particular "NEED" in our community.

The following are the variety of "NEEDS" you will find: Vermilion Food Pantry; Birthright of Lorain County/Heartbeat of Erie County; St. Mary Special Needs Account; Tuition Assistance for PSR/St. Mary School; Grace's Kitchen; Cap Haitian Dental Clinic' Garden of Grace; Bio-Sand Water Filters; Assistance to Veteran's Home. If you feel you can help with one or several of these ministries, consider the words from that familiar song: "Whatsoever you do to the least of my brothers, that you do unto ME." If you are interested in joining Social Concerns, please contact the parish office at 967-8711.

## The following are explanations of the symbols on the Giving Tree:

**Garden of Grace:** St. Mary provides vegetables and other produce to Grace's Kitchen. The garden is grown on St. Mary's property to the east of the playground, during the growing season. Money collected will help provide raised bed allowing greater return on the plantings and less loss of crops to animals.

**Birthright of Lorain County/Heartbeat of Erie County:** Both organizations help with women who are in need of assistance and to further the cause of Pro-Life. Money collected will be divided equally between these two organizations.

### Bio-Sand Water Filters for Haiti:

A simple device which filters water for individuals and provides efficient, affordable and clean safe water thus combating the spread of water born diseases. St. Mary, as well as other churches in Vermilion, support this effort..

**Vermilion Food Pantry:** Always in need of non-perishable food items. All churches in Vermilion support this great need. Local distribution place is UCC Church on State Street. Money collected allows them to purchase perishable items.

**Special Needs Account:** This account helps individuals with bills (utilities and prescription medicine). We get an average of 2-3 people each week seeking this type of assistance.

**Grace's Kitchen:** Provides meals 2 times a week to area residents. Our church helps prepare and serve meals each month. The money collected helps support this endeavor. Volunteers are always welcome during our week. To volunteer, call Jen Allred at: 1-575-640-3688.

**Cap Haitian Dental Clinic:** A non-profit organization was founded by two of our parishioners. Its mission is to support the North Haiti Dental Association member dentists so they are able to deliver dental treatments to the public population. We continue to support this mission.

### Tuition Assistance for our FFF & our former Students who now attend other Parochial Schools.

We have recognized that there is a need to assist families who are not be able to afford fees for our FFF program or tuition to a Catholic School. The money collected will be equally divided between the two unless noted otherwise.

**Assistance to Veteran's Home** To buy Christmas gifts to Veterans at Ohio Veterans Home in Sandusky such as: Socks, hats, gloves, toothpaste, toothbrushes, combs, magazines, etc.

My dear parishioners,

We begin a new liturgical season with the season of Advent. Advent is a time of waiting - especially for the coming and arrival of Christ into the world. While we wait, there is a joyful expectation and hope that our faith gives us - the ability to anticipate the celebration that is to come. Sometimes we ask the Lord for certain gifts during the Advent season. We might ask for the grace to be silent and reflective; the strength to fast and pray; the perseverance to wait and be patient.

We have been blessed here at St. Mary Parish with several projects - some that have been completed, and some that we still wait for with eager anticipation. I am very thankful for several individuals who helped make our campus look more beautiful over the summer. I thank Roy Villarreal for disconnecting the electric in the intervention trailer, Deacon John, Denis Greg, Chris Duda, Chris Gallagher, Alan Anderson, Kevin Coughlan, Christian Diehl, Steve Stumphauzer, and Jay Krause for helping tear down the trailer between the Parish Life Center and the Rectory.

## Happenings in the Parish Continued...

I thank Deacon John, Jay Krause, Christian Diehl, Steve Stumphauzer, and Steve Schreiner (my Dad), for helping replace the sidewalk in front of the stone parking lot.

I also thank William Matheson for his Eagle Scout Project of relocating the outdoor Stations of the Cross, and Doug Bodde for refurbishing the Stations - after a lot of hard work, they look beautiful.

We are moving forward with the conceptual design phase for the future renovation of our Church. Our RCM Architecture firm has been working closely with the parish feedback given at our listening sessions, along with our Renovation Committee and the Office of Divine Worship in the Diocese. If all goes well, I am hoping to be able to share conceptual artwork and professional renderings of the renovation by this coming January. It is a very exciting process! At this time we are getting closer to the next phase, in which we will be estimating the cost of the renovation, and planning for several fundraising events to help raise money. Please continue to pray for patience, wisdom, and perseverance as we begin a new liturgical year - one that is full of waiting and expectation!
