Version 7

# St. Mary and St. John Catholic Primary School

## BEHAVIOUR and RELATIONSHIP POLICY

'In the light of Jesus, we learn to shine.'

Reviewed and Ratified on: December 2025

Signed by (Chair of Governors): A Whitney

#### ST. MARY AND ST. JOHN CATHOLIC PRIMARY SCHOOL

#### BEHAVIOUR and RELATIONSHIP POLICY

#### STATUTORY GUIDANCE

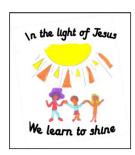

The policy complies with Section 89 of the Education and Inspections Act 2006.

We recognise the presence of God in each member of our school's family and respect the dignity of each individual as created by God. By recognising this it is essential that our behaviour management policy reflects a positive approach with reconciliation forming a clear and important element.

#### MISSION STATEMENT

In the light of Jesus, we learn to shine.

We regularly refer to the mission statement and use it to embrace the pupils in all that encompasses a positive ethos in school.

#### **PRINCIPLES**

St. Mary and St. John's Catholic Primary School is a Catholic school and the Governors, after consultation with staff, parents and pupils, have agreed that the following principles be encouraged:

- The whole school community promotes an environment where everyone feels happy, safe and secure.
- Every member of the school community is valued and respected and treated fairly and in a consistent way.
- Good relationships are promoted so that all can work together with the common purpose of helping everyone achieve.
- Good behaviour is promoted through an ethos of kindness and cooperation.
- Pupils are actively involved in their learning and school life. (Pupil champion meetings and pupil voice questionnaires)
- Pupils, staff, parents and parish community support the Live Simply award.
- The emphasis is on success rather than failure
- There is a school climate where personal responsibility, achievement, tolerance and selfdiscipline are fostered.

#### PURPOSE OF THE POLICY

- 1. To make all members of the school community aware of the expected standards of behaviour.
- 2. To develop the pupils' self-discipline, ability to learn independently, acceptance of responsibility and ability to work co-operatively so that all children have the opportunity to reach their full potential academically, socially and emotionally.
- 3. To provide a supportive and stimulating environment in which to talk and listen with respect for one
- 4. To provide a positive climate with emphasis on reward and praise.
- 5. To provide a clear opportunity for reconciliation following inappropriate behaviour.

- 6. To develop a caring attitude for the school building, its resources and its environment.
- 7. To provide all in the school community with a consistent approach to achieving expected high standards of pupil behaviour.

Outstanding behaviour is encouraged through the modelling of outstanding behaviour and positive relationships by the staff and through the following areas of the curriculum in particular:

- Religious Education
- RSHE
- Anti-Bullying
- Prayer and Liturgy
- Assemblies
- School Mission Statement In the Light of Jesus we Learn to Shine (Appendix 3)

#### RESPONDING to BEHAVIOUR - Rewards and Sanctions

High expectations and standards of behaviour are promoted through rewarding good behaviour and remaining positive where possible.

Class Dojo is used effectively from Year 1 to Year 6 to promote positive behaviours linked to our school rules. It is also used in all classes, including Reception, as a liaison between home and school so parents can monitor progress and behaviour. A parent would be invited into school, to discuss behaviour, if a teacher has any concerns. Whole class messages and individual messages to parents are sent via Class Dojo and it is also used as a motivational tool to promote positive behaviours.

Each Friday we hold a Celebration Assembly when the children's achievements are rewarded with certificates and awards. Excellence awards are held half termly and the children enjoy afternoon tea or hot chocolate with the head teacher.

Although the focus for our Behaviour Management is on positive behaviour modification, rewards and praise, there are times when because of the nature of the behaviour, sanctions must be put into place. Consequences/Sanctions must be used consistently by all staff and be progressive. We have designed a whole school system to ensure that all members of our school family are aware of these.

EYFS and Key Stage 1 have a SUN, STAR, SKY, RAINBOW and CLOUD system, which corresponds with the Key Stage 2's Orange, Yellow, Green, Purple, Red rocket system.

The following progressive and consistent sanctions are explained clearly in Appendix 1, alongside our more frequently used Rewards and Praise e.g. Stickers, dojos, certificates and treats. Staff will always liaise with parents to keep them informed of behaviour issues and to support them. All adults in school are aware that every child is unique and that inappropriate behaviour takes many forms. The procedures outlined in Appendix 1 will be carried out whenever it is appropriate. However, on occasion the level of behaviour may mean that a more severe sanction is required without following the steps.

#### Pupils with Special Educational Needs and/or Disability

Children with SEND or EAL may not fully understand what is expected or be able to explain their actions. Staff need to take this into consideration when applying sanctions. Positive Behaviour Support Plans will be used to help children who have additional behaviour needs. Reasonable adjustments to the rewards and sanctions can be considered depending on the individual circumstances.

Staff will always liaise with parents to keep them informed of behaviour issues and to support them. Parents are kept informed and are a vital part of promoting positive behaviours.

The school can provide additional support following the Graduated Approach, for parents and pupils who have social emotional and behavioural needs. The school will work in partnership with outside agencies e.g. TESS Targeted Education Support Services and the Educational Psychology Service. The school may also consider the involvement of the school nurse, other health services and social care when the behaviour is more severe.

#### Support available for pupils whose behaviour indicates significant problems

Support is available for any pupil in the form of a Positive Behaviour Support Plan. This may be initiated if the behaviour has become severe or extreme, or continued over a prolonged period of time. It may include Positive Handling Techniques to keep the pupils and staff safe. An Early Help meeting may also be considered in these circumstances.

#### **Exclusion**

We do not wish to exclude any child from school, but sometimes this may be necessary. The school will follow the Local Authority Exclusion Policy in these Circumstances.

#### Recording

Minor incidents reported by pupils and staff are dealt with initially by the class teacher. Should the incident be deemed more serious, be linked to prior incidents or have been reported by a parent, a record is made on the CPOMS (Child Protection Online Management System) tool and this information is shared with the SLT. The class teacher should then contact the parent and maintain contact with the parent and SLT during action and monitoring times. More serious incidents will be dealt with by SLT/HT in liaison with staff.

All staff in school are responsible for promoting positive behaviour and implementing this policy. This includes Lunchtime Play Leaders, Peripatetic Music Teachers and all adults working in school. Sharing information with Class teachers and parents is crucial.

All teaching staff are responsible for recording information on the CPOMS tool and sharing the information with the relevant SLT person or Headteacher. These concerns are addressed by SLT and safeguarding procedures, anti-bullying or behaviour policies are put in place if needed.

#### Reporting to parents

Pupils' behaviour and attitudes, effort, attainment and attendance are assessed, tracked and recorded termly. The Assertive Mentoring matrix (see Appendix 2) is completed and individual information is shared with parents at the Parents' Consultation Meetings so that home and school can work together on celebrating and/or improving the pupils' progress in these areas.

#### Parent Code of Conduct

It is expected that parents follow the school's high expectations for behaviour and commit to support the ethos of the school. However if school feel parents are demonstrating unacceptable behaviour at any time during their child's journey through school, the Parent Code of Conduct and Home School Agreements must be followed. Governors will be informed, and the relevant policy procedure will be actioned.

#### Dealing with allegations against staff

All such allegations will be dealt with by following the procedure contained in the relevant policy. (See Wigan Council Employment Policies)

#### Staff Development

All teaching and support staff attend relevant training linked to the review of linked policies e.g. Child Protection, Anti-bullying, Health and Safety etc. Training needs are identified through the Performance Management Cycle and the need to ensure that the Governors and staff fulfil statutory duties linked to behaviour and discipline.

#### Pupils' Conduct outside the School Gates

Teachers have a statutory power to discipline pupils for misbehaving outside of the school premises.

All pupils are expected to behave in a manner which does not threaten the health and safety of other pupils, staff or members of the general public. This includes the journey to and from school, on educational visits and the acceptable use of the Internet (See Online safety policy and RSHE Policy), digital recording devices and mobile phones.

Sanctions within the policy will be imposed where a pupil has behaved in such a way that he or she has:

- Posed a threat to another pupil or member of the public.
- Adversely affected the reputation of the school.
- Compromised the orderly running of the school.

#### Use of Positive Handling

All members of staff are regularly updated in relation to the regulations regarding the use of positive handling and physical intervention, as set out in the school discipline chapter of Education and Inspection Act 2006 and the Revised Guidance on the education of children and young people with behavioural, emotional and social difficulties (2008).

Staff have undergone the Team Teach training and refresher training (December 2022). The LA Use of Reasonable Force Guidance (October 16) is shared with staff following authority updates.

Positive Handling can be used to prevent pupils from hurting themselves or others, from damaging property, or from causing disorder and to maintain good order and discipline in the classroom.

The decision to intervene is down to the professional judgement of the staff member concerned and should always depend on the individual circumstances. The actions of staff will always be in the best interests of the child and in line with government guidelines on the Use of Reasonable Force. Under no circumstances will physical force or restraint be used as a form of punishment. It is always unlawful to do so.

A positive behaviour plan will be put in place for pupils who have needs which may require a positive handling approach. This will be shared with parents accordingly. Further information can be found in the Positive Handling Policy.

#### Searching Pupils and their Possessions

- Staff can search pupils with their consent for any prohibited item such as weapons, illegal drugs, stolen goods, cigarette goods, fireworks, pornographic imagery.
- The Headteacher can authorise a search of the pupils 'outer clothing' or their possessions including bags and lockers without their consent if there is reasonable grounds for doing so.
- Reasonable force may be used to execute the search.
- Staff can refuse to undertake a search.
- Staff must be the same gender as the pupil being searched.
- The search must take place in the presence of the pupil and another witness.
- Teachers can instruct pupils to turn out their pockets and apply a sanction if they refuse to do so.

#### Confiscation of Inappropriate Items

The general power to discipline allows a member of staff to confiscate, retain or dispose of a pupil's property if having that property in school breaks school policy, or is interfering with or preventing the education of other pupils in school, or is deemed to be a dangerous object (whether that be in the way it is being used at that time). Legislation protects the member of staff from liability to damage to, or loss of, any confiscated items. E.g. mobile phones, jewellery other than a watch, knives etc.

#### Monitoring and Review

The Headteacher monitors the effectiveness of this policy on pupils, staff, and parents of different groups, on an ongoing basis. She reports to the Governing Body on the effectiveness of the policy and if necessary makes recommendations for further improvements. Rewards and Sanctions are reviewed by the staff to ensure that they have maximum impact on achieving and sustaining high levels of behaviour. The Governing Body reviews the policy every two years. The Governors may however review the policy earlier than this if the government introduces new regulations or if the Governing Body received recommendations on how the policy might be improved.

#### Equality Act 2010

The Governing Body will seek to ensure that no child is treated unfairly because of faith, race or ethnic background, gender or disability.

Other related policies and agreements, which should be read in conjunction with the Behaviour Management Policy:

Safeguarding and Child Protection Policy
Online Safety Policy
RSHE Policy
Home School Agreement
Positive Handling Policy
Intimate Care Policy

Anti-Bullying Policy
Health and Safety Policy
Parent Code of Conduct Policy
Staff Code of Conduct Policy

		Each child begins the start of every day	
		back in the sky.	

Key Stage 2

Class Dojo points are awarded to the children for good behaviour and hard work. These are refreshed at the start of each week. The child with the most Dojo points is rewarded with a special certificate in Friday's achievement assembly.

1 additional certificate is awarded for effort, achievement or behaviour.

School staff are also encouraged to give out stickers, notes home and plenty of verbal praise.

Each year group may have additional rewards to motivate the children e.g. special privileges, sit on a special cushion, scented stickers etc.

A 5-point 'scheme' is used in Key Stage 2 for rewards/sanctions.

All pupils start the day in the middle (green), they can move further up the rocket and earn dojos, with reaching the top of the rocket resulting in a prize.

If they do not show the desired behaviour then they are moved down to 'purple' where they would miss a portion of their break time, this can be escalated to missing all of their break time before being moved to the 'red' section where they will have a discussion with a member of SLT before speaking with Mr Atherton and parents will be informed.

Reception
Key Stage 1
Key Stage 2

Every Friday a special celebration assembly is held. Various certificates are awarded on a weekly basis e.g. Reading, Maths, outstanding behaviour or a themed certificate. The assembly is also used as an opportunity to share sporting, music and other awards that the pupils may achieve at after school events/ outside school clubs. The above systems are regularly updated to meet the changing needs of the children and to implement new initiatives and guidance where necessary.

Friday Golden time is awarded to all children who have maintained a high standard of behaviour consistently for the whole week.

At the end of every half term 2 children from Reception, Key Stage 1 and Key Stage 2 are receive an Excellence Award in recognition of consistent, OUTSTANDING behaviour and attitude to learning. These children will be treated to Hot chocolate/drink/biscuit with the Head teacher at the end of the term.

Each month will focus on a particular value. 2 children from each class will be awarded with a certificate in assembly for showing the desired value across school and they will also receive a praise postcard home.

### Our School

In the light of Jesus we learn to shine.

We remember...

\* Kind Words, Kind Actions

We apologise and forgive

\* Work Hard, Listen Well

We find joy in learning & never give up.

\* Be Respectful and Responsible

We laugh, love and learn together.

We are a family.
