

RELIGIOUS EDUCATION

Branch 2 Prophecy and Promise.
To study and understand what happens during Mass.
Focus on the Nativity according to St Matthew's Gospel, this introduces the children to Joseph.

ENGLISH

In guided reading we will continue to read 'The Owl who was afraid of the dark' by Jill Tomlinson.

We will use this to write lots of stories, accounts, persuasive letters and advertisements.

MATHS

Maths Mastery Approach
Addition and Subtraction.

Multiplication and Division.

SCIENCE

Light

We will learn about light and dark, how light is reflected, that light from the sun can be dangerous and all about shadows.

Things to look forward to this term:

Creating our own moving monsters.

Getting ready for Christmas.

Lots of amazing science investigations.

YEAR 3

AUTUMN TERM 2

In the light of Jesus we learn to shine

PHYSICAL EDUCATION with Mr Perkins

Handball skills will be explored and developed this half term and the children will have multi skills for the last 3 weeks of the half term.

D.T

Moving Monsters!

We will design and make a monster including a moving pneumatic system.

Created to love others.

Families and people who care for me
Internet safety and harms

GEOGRAPHY

Exploring Madagascar

We will learn all about where Madagascar is in the World, what the climate and weather is like and how the country compares to the U.K.

MUSIC

with Mrs O'Neill On Tuesday afternoons

Let your spirit fly!

To sing, play, improvise and compose a Rhythm and Blues song!

COMPUTING

We will be looking at online safety and using the iPad to support the curriculum.
