

## RELIGIOUS EDUCATION

**Topics 1: Loving.** Gods love is unconditional and never ending.

**Topic 2: Vocation and Commitment:** The vocation to the priesthood and religious life.

## ENGLISH

**Class reading book**—Skellig by David Almond

**Writing**—Writing persuasive adverts, writing to explain, writing to inform, writing to entertain.

## MATHS

**Number and Place Value**—ordering, rounding and writing numbers.

**4 operations**—Addition, subtraction, multiplication and division methods.

## SCIENCE

**Living things and their habitats**

Finding out about different animals and plants and the environments that they are suited to.

### Things to look forward to this term:

Settling in to Year 6, understanding how we work and enjoying our new topics.

Enjoying a visit from a Historian to help with our 'World War 1' topic.

Residential trip to Low Bank Ground.

Meeting our Reception seeds.

## YEAR 6

### AUTUMN TERM 1

*In the light of Jesus we learn to shine*

## PHYSICAL EDUCATION

### High 5 netball

Understanding different movements and positions to move about a high 5 pitch. Small-sided games to push in-game understanding.

## ART

In Art this half term we are looking at **Street Art**.

Looking at creating graffiti art and at the works of Banksy.

## RSHE

**Created and Loved By God**

Respectful relationships  
Caring friendships

## HISTORY

### World War I

The two sides of the war, how it started, what life was like during that time and how did it end.

## MUSIC

Listen, play and perform as an ensemble, improvise and compose.

**We've Got Rhythm** - Rhythmic devices and structure

## COMPUTING

**Coding**—Programming and debugging problems

**Online safety**—What we need to do to keep safe online.
