

Certificate of Compliance
Buy America and Build America, Buy America (BABA)

August 1, 2026
To our valued partner,

This letter is to certify that the **Excel Control Products** products listed below meet the applicable requirements of the final rule detailing the Buy America requirements for manufactured products, as well as the **Build America, Buy America Act (BABA)**.

Excel Control Products meets the applicable Buy America provisions, including the October 1, 2025, and October 1, 2026 milestones. The cost of components of the manufactured products listed below that are produced or manufactured in the United States is greater than **55 percent of the total cost of all components** of the manufactured products. The products covered by this certification are manufactured in the United States in accordance with applicable BABA requirements.

Product Type
Lighting Control Cabinets
Lighting Load Centers Cabinets
Service Points
Service Pedestals
Custom Control Panels
Receptacle Bollards
Power Carts

Excel Control Products is proud to manufacture products in the United States and to support infrastructure projects subject to Buy America and Build America, Buy America requirements. We appreciate your business and look forward to continuing to provide reliable products and support to our customers and partners.
