

Year 1
Autumn Term

This term our Learning Journey is

Woodland Adventure

Where possible, our learning in each subject will have links to our learning journey.

Geography

Through looking at the compass points and looking at aerial photos, we will be discovering our local woodland.

Science

Autumn, spring, summer and winter – we will be finding out about the seasons and the changes that happen during these times.

Computing

We will be finding out how to use different technologies safely and then collecting and presenting data and creating pictograms.

Music

How do composers make you feel different emotions with their music? We will be learning how to play different percussion to create feelings.

RE – in last 2 weeks of the term

What can we learn from creation stories?
Which festivals do different religions celebrate?

English

Texts we are focusing on:

Into the Forest by Anthony Browne
Pretty Salma by Niki Daly
Little Red Riding Hood by Ian Beck and Sam Bratney
Non-fiction Woodland animal books
The Great Caper by Oliver Jeffers

Maths

Topics we'll be covering:

Place value (within 20)
Addition and Subtraction
Geometry

Art

How did Gustave Klimt paint the tree of life? We will be finding out how to move our paintbrush in spiral shapes to create our own version.

DT

We will be creating puppets of well-known fairy tale characters and learning how to stitch.

RSHCE

We will be looking how to protect ourselves from germs, what parts of our body are private and how exercising makes us feel.

Learning Beyond the Classroom

Reading

Various different fairy tales from all cultures

Watching

Disney Fairytale movies
CBeebies Musical Storyland

Listening

Tchaikovsky for Children – Fairytale Classical Music
<https://www.thefablecottage.com/>

Talking

Ask: How is the weather changing?

PE

In outdoor games, we will be learning about how to play games successfully and finding out about shape and space.
