# INTERCEDE & SEND

DECEMBER 2025

1

### JAPAN

*Mike & Elizabeth Nienhaus*

December is a busy ministry time with our high school students. Pray for us as we finish the semester and plan for and execute our upcoming Winter Camp. Ask the Lord to touch the students' hearts so they seek to follow after Jesus.

8

### TEAM HOPE

This is finals week on the university campus. We will have free coffee and snacks in the student center, and our staff will be there to chat with those feeling stressed. Pray for meaningful conversations, connections, and lasting relationships into the new semester.

2

### TEAM HOPE

This week, our team holds an annual end-of-year 2025 review and planning for 2026. We rejoice together over what God has done and strategize what we need to improve or change. It is an intense three days, but our goal is to see whole families come to know and follow Jesus.

9

### SEND NORTH

Pray for our aviation team to have safe flights as our missionary pilots travel to remote villages this winter. Ask the Lord to guide every decision on these trips and prepare hearts for meaningful discipleship and gospel impact.

3

### EURASIA

The Eurasia Regional Council meets today. Pray that God will guide our leaders as they gather. Pray for them as they develop new strategies that can lead to meaningful progress in the next year.

10

### GEORGIA

*LS*

Pray for the ongoing youth group at Savior's Bible Church that meets weekly. Seven from the church come and bring a few friends. Pray that these young people will grow in their desire to follow Christ.

4

### PHILIPPINES

We are thankful for our partnership with an international church in Manila that supports four of our global workers. In mobilizing the church, pray with us that they will recruit, train, and send workers from their own congregation.

11

### RUSSIA

Pray for the planning to hold a training and summit for those working among the Buddhist peoples of Russia. Ask God to give us good progress in translating training materials into Russian.

5

### THAILAND

Pray for the 180 students at Mahasarakham University who are required to join our chronological Bible story classes this school year. Ask for open hearts to the gospel and courage to make decisions for Christ. Pray that our team will have wisdom in knowing which students to follow up.

12

### PHILIPPINES

Pray for us as we mobilize for SEND Eurasia. We have a couple recently appointed and a single woman who wants to go long-term. She is currently preparing to go as one of the short-term team members from the international church. May others catch the vision!

6

### ROMANIA

*Abigail Niles*

Today we are holding a Christmas party for missionary kids. Pray that when the kids gather together, they will see the greatness of Jesus the Messiah as they explore what it means to adore him through prayer.

13

### SPAIN

*Franklin & Kaitlyn Reimer*

Pray for Kaitlyn's work in Amar Dragoste, a ministry to women caught in violence and trafficking. The organization has grown substantially in the past year, and she is involved in new ministries. Pray for the new refuge houses, offices, and outreaches that are taking place.

7

### SPAIN

*Josue & Laura Maldonado*

Pray for the transition of the churches in Sarriko and Bermeo, as they have been without a pastor since September. Ask God to give wisdom as new elders in the churches of Sarriko and Bermeo lead their congregations.

14

### ROMANIA

*Brett & Alyson Haynes*

Craiova — We launched a monthly class for young families to address deep struggles in marriages, family relationships, and parenting. As we look at the gospel, Jesus sacrificial giving of his life, and God's plan for marriage and parenting, pray these young families will grow and be transformed by the Spirit's power.

**GLOBAL CHINESE MINISTRIES** *Joan Lai*

Chemnitz, Germany — Ask the Lord to bring more students to attend the Chinese fellowship on a regular basis. I moved here in late October, so pray for my adjustment and developing relationships with the local coworkers.

**16**
**CENTRAL ASIA**

Pray for the Lins, appointees from Global Chinese Ministries to Central Asia, as they travel around Taiwan to preach and share about their upcoming transition and future ministry. Ask the Lord to provide their financial needs and help them build a strong support team.

**17**
**THAILAND**

Pray for the Kid's Club where 15–20 children come to learn English and Bible stories in Thai. Pray that the seeds of God's Word planted in their hearts will grow. Pray also for the kids who play soccer in the community sports ministry and for good relationships that will reach into their families.

**18**
**RUSSIA**

Pray that MB will receive God's favor for speedy processing of her one-year visa. Ask the Lord to have officials give her an option to extend it after a year without needing to re-enroll.

**19**
**CENTRAL ASIA**

LG is part of a small group that includes many non-believers in her Central Asian city. Pray for her influence, that the Lord will stir hearts, and for friends to begin to take steps toward faith.

**20**
**SEND NORTH**

Pray for our pilot meeting as we plan for the year ahead. Ask God to provide creative ways to reduce expenses without compromising safety, allowing us to continue to faithfully serve remote communities.

**21**
**GLOBAL CHINESE MINISTRIES** *J&C Keener*

Pray for a woman and her adult son who attend our church. We sense there is deep relational hurt in their family, and currently the conflict is affecting their relationship. Pray for wisdom to know how to walk alongside them in this and for genuine healing to happen.

**22**
**BULGARIA**
*Gisli & Nora Jonnson*

Pray for our neighbors as we deliver Bulgarian 2026 gospel calendars to each home. Then, we will bring some for the women who attend the local church to take to an Orthodox service on January 6 to bless the land and the produce.

**23**
**THAILAND**

In November, the Bible Christian Church of Mahasarakham held a water baptism service with more than a dozen candidates. Pray for the new church committee to grow spiritually and have time to be involved in ministry. Pray also for the five community Bible study groups in the community that face persecution.

**24**
**UKRAINE**

Pray that Ukrainians will continue to carry God's glory to the nations, even amid war and suffering. May their passion for the gospel remain strong!

**25**
**CROATIA**
*Brian & Debby Stout*

Pray for our Operation Christmas Child outreach here in Zadar as we invite our friends to our church's Christmas program with food, presentation of the gospel, and Operation Christmas Child gifts. Ask the Lord to open many hearts to the gospel this Christmas season!

**26**
**JAPAN**
*Karen Lee*

I am currently in contact with ten Japanese who are open to the gospel, most of whom are over 70 years old. Pray that God will grant me enough language skills and wisdom so that they may understand and experience God's grace.

**27**
**TEAM HOPE**

Pray for Wadha as she helps teach in the preschool in her community and shares Bible stories to their preschoolers as part of their curriculum. Recently, she shared boldly how she respectfully refused her uncle's request to do an illegal business and then related it to the story of Zacchaeus' transformation.

**28**
**THAILAND**

Pray that God will send more workers as we will lose two missionary units in the next several months. Pray for our whole team as we share ministry responsibilities and adjust to the changes while taking over additional ministries.

**29**
**GEORGIA**

Pray for the ongoing planning and preparation for short-term teams coming to Eurasia in 2026. Five or six are considering coming to Georgia. May the Lord guide every detail, from team selection to logistics, so that each effort bears lasting fruit.

**30/31**
**SPAIN**
*Franklin & Kaitlyn Reimer*

In January, we will be starting a house cell group. Pray that God will bring the people he wants to this group and that we can be light in the darkness. Pray for those invited to have eyes to see and ears to hear the Good News.
